*Proceedings of the Madras Government, Public Department,
9th April 1869.*

Read again letter from the Collector of Malabar, dated 3rd March 1869, No. 24, and recorded in Proceedings, dated the 22nd idem, No. 366.

No. 91. Read also the following letter from the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 2nd April 1869, No. 123.

In returning, as directed, the enclosed four bills referred to me with Proceedings of Government marginally noted, I have the honor to observe that three of them, signed by the Deputy Magistrate,

No. 366 of 22nd March 1869, Public Department.

Wynaad, are for *dieting* sick paupers in the Manantoddy Hospital, and this charge, I presume, may at once receive the sanction of Government.

2. As regards the other bill, viz., that for *medicines* supplied to paupers in October and November 1868, it will be seen, by Dr. Hewston's endorsement on it, that "payment is not expected until the inquiry of the Madras Government with reference to this subject (at present in hand) is replied to, and explanation given."

3. This explanation, without which it is impossible for me to offer any opinion, has been repeatedly applied for; but partly from a misunderstanding on Dr. Hewston's part as to the nature of the information required, and partly owing to his absence from Manantoddy, and the pressure of other work, it has not yet been furnished.

4. In the endorsement above referred to, Dr. Hewston states that the requisite explanation will be supplied at as early a date as possible; and immediately on its receipt, the report called for in G. O. 3rd September last, No. 1109, shall be submitted.

No. 92. ORDER THEREON, 9th April 1869, No. 462.

The Governor in Council sanctions the payment of the three bills received with the letter from the Collector of Malabar, dated 3rd ultimo, No. 24, for dieting sick paupers in the Manantoddy Hospital, during the months of August, September, and October 1868, amounting in the aggregate to Rupees 71-4-0.

2. It is observed that further explanation is promised by Dr. Hewston on his bill for medicines supplied to paupers in October and November 1868.
