*Proceedings of the Madras Government, Public Department,
13th March 1869.*

No. 129. Read the following letter from the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George; dated 20th March 1869, No. 252.

Post Audit Department.

It has just been brought to my notice that owing to the use of the words "in posts of which the salaries exceed 20 Rupees" in the Notification, dated 11th August 1868, some officers entertain doubts whether Government intend to prohibit unpassed men holding appointments which do not exceed 20 Rupees per mensem.

2. The intention of Government, as declared in their orders of 23rd October 1866, No. 309, is that unpassed men should not be appointed to situations of the value of 20 Rupees and upwards; but as the Notification of 11th August last gives room for doubt upon this point, I would suggest that an amendment of that Notification be published in the *Fort Saint George Gazette*.

N.o 130. ORDER THEREON, 13th April 1869, No. 484.

With reference to the Accountant General's letter above recorded, His Excellency the Governor in Council directs that the following Notification be issued in the *Fort Saint George Gazette* :—

Madras.

Sir,

I have the honor to request your sanction to a continuance of the system hitherto in practice under which the money belonging to the Vizagapatam Male and Female orphan Asylum has been lodged in the Government Savings Bank.

2. The Institution is chiefly supported by Government, receiving a grant in aid of twice the amount of the subscriptions from the public, and it will be put to great inconvenience if the privilege hitherto possessed of placing its funds in the Savings Bank be withdrawn.

3. As in your letter dated 11th March 1869, the Public Department's sanction was accorded for lodging in the Savings Bank the money collected in account of a Charity Fund belonging to the Regiment at this station, I trust the same may be

Sir,

N^o 433 dated 5 April

With reference to the orders of Government noted in the margin, I have the honor to state, that the only objection of which I am aware to the funds of Civil Dispensaries being deposited in the Savings Bank is, that such deposits come under the head of Trusts which under rule 7 of the Bank, are inadmissible.

If this objection can be set aside, I would suggest that the Accounts of these Institutions be opened in the names of the Collector and Civil Surgeon of the districts, who, it is believed, are usually ex-officio Members, and that all investments on account of it be also made in their names. This course of procedure seems to be in accordance with the instructions contained in the order of the Government of India

recorded in the Proceedings of the Madras Government, Public Department N. 1106 dated 30th September 1864, relative to Promissory Notes belonging to Government Aides Surtintations

They to take advantage of the opportunity to forward at the same time copy of a letter received from the collector of Vizagapatam N. 169 dated 7th instant, and to suggest that a similar course of procedure be adopted in respect to the funds of the Vizagapatam Male and Female Orphan Asylum, which might be lodged in the Savings Bank an account, being opened in the joint names of the collector and Chaplain of the District for the time being.

I have the honor to be

The intention of Government as declared in their orders of 23rd October 1866 N. 309 is that unprofessed men should not be appointed to situations of the value of 20 Rupees and upwards, but as the Proclamation of 11th August last gives room for doubt upon this point I would suggest that an amendment of that Proclamation be published in the Fort St. George Gazette.
