1869, (Proceedings, Public Department, No. 142,) it became necessary to employ the extra servants marginally noted, pending the fixing

of establishment by Government. The Examiner of Claims objects to pass the charge without the special sanction of Government. I have, therefore, the honor to solicit that Government may be pleased to sanction the amount.

2. With regard to the extra nurse temporarily employed for Native patients dangerously ill, I may observe that the regulations in the Military Department admit of an extra cooly being employed for each bed-ridden patient, to assist the fixed establishment; but in the case of the Vepery Hospital, one extra nurse only was entertained for a limited period to attend on three patients dangerously ill.

No. 163. ORDER THEREON, 19th April 1869, No. 502.

The Governor in Council sanctions the charge, viz., Rupees 5-7-2, incurred in the temporary employment of extra servants in the "Hospital for women and children" in Vepery.
