*Proceedings of the Madras Government, Public Department,
19th April 1869.*

No. 164. Read the following letter from the Acting Magistrate of Coimbatore, to the Chief Secretary to Government, Fort Saint George; dated Coimbatore, 31st March 1869, No. 18.

With reference to paragraph 2 of the Government Order of 4th instant, No. 273, Public Department, I have the honor to request that I may be informed whether it is the wish of Government that the Towns' Improvement Act should be at once extended to Errode.

2. The present population of the town is about 4000. Many of the inhabitants are poor, and I do not think that, at present, the Act could be introduced with any hope of success.

3. Errode will eventually become the cusbah of the taluq, and the headquarters of the Sub-Collector, and the location of these officers there, together with the extension of the Great Southern of India Railway to the South, will doubtless tend to increase its importance.

4. I beg, therefore, to recommend that the introduction of the Act may be postponed for the present.

No. 165. ORDER THEREON, 19th April 1869, No. 503.

The Government consent to the postponement of the extension of the Municipal law to Errode for the present.
