*Proceedings of the Madras Government, Public Department,
23rd April 1869.*

No. 210. Read the following letter from the Acting President of the Municipal Commission, Masulipatam, to the Acting Under Secretary to Government, Fort Saint George; dated Gudewada, 12th April 1869, No. 14.

With reference to your Official Memorandum, dated 5th April 1869, No. 139, I have the honor to inform you that I find, by a mistake of my predecessor, the Municipal estimates of probable receipts and disbursements, for Masulipatam, for 1869-70, were duly despatched on the 12th November 1868, but instead, of being directed to the Chief Secretary, were directed to the Secretary to Government in the Public Works Department.

2. I regret to add that no copy of those estimates has been retained in this office; but from a few loose notes I find, I fear, they were very hurriedly prepared, and require much correction. If you will be so good as to procure from the Public Works Department of the Secretariat those estimates already submitted, and return them to me, I will have them revised at once, and submit them again through you with the least possible delay.

No. 211. ORDER THEREON, 23rd April 1869, No. 526.

Ordered that the estimates, referred to in the foregoing letter, be obtained from the Public Works Department, and forwarded to the President of the Municipal Commission of Masulipatam.

2. The President's attention will be drawn to G. O., dated the 16th instant, No. 494.

(True Extract).

Chief Secretary.

To the President of the Municipal Commission, Masulipatam, with the estimates.
