*Proceedings of the Madras Government, Public Department,
27th April 1869.*

No. 221. Read the following letter from the President of the Bimlipatam Municipal Commission, Vizagapatam, to the Chief Secretary to Government, Fort Saint George ; dated Vizagapatam, 3rd April 1869, No. 87.

I have the honour to forward a letter from Mr. Ripley, Vice-President of the Bimlipatam Municipality, regarding the estimated cost of the proposed Committee Room in that town, as called for in the Government Order, dated 25th February 1869, No. 252.

2. The cost of conservancy in the town amounts to Rupees 1536, and not Rupees 870, as stated in the Government Order, and I can bear testimony to its efficiency. Owing to the compact size of the town, the arrangements for conservancy are less costly than equally effective ones would be in other places.

From G. RIPLEY, Esq., Vice-President of the Municipal Commission, Bimlipatam, to the President of the Bimlipatam Municipal Commission, Vizagapatam ; dated Bimlipatam, 15th March 1869, No. 48.

I have the honour to own receipt on 13th of your communication, dated 8th instant, with copy of Proceedings of Government, dated 25th February.

2. The estimated cost of the proposed Committee Room is Rupees 3250, according to the estimate forwarded to you in my letter of 31st January 1868.

3. In my letter of 5th February last, I stated that roads, drains, and conservancy were very fully provided for up to May 1870. Government seem to feel some concern about the expression "very fully" as applied to the expenditure on conservancy, and I am asked for a detailed account "of the very full provision for the conservancy of the town of Bimlipatam which is secured by an annual expenditure of Rupees 870." Here is a mistake. If Government will be good enough to refer to our estimates for 1869 and 1870, it will be found that the provision for conservancy is not Rupees 870, as stated in the order, but Rupees 1536. Details are appended.

4. You, sir, have visited the town within the last few weeks, and if you had any objection to make regarding our conservancy arrangements we should doubtless have heard from you.

5. I beg again to request Government sanction to our building a new Committee Room.

No. 222. ORDER THEREON, 27th April 1869, No. 537.

Under the explanation afforded in the foregoing letter, His Excellency the Governor in Council is pleased to accord his sanction to the erection of a new Municipal Office or "Committee Room" for the use of the Commissioners of the Town of Bimlipatam.

Proceedings of the Madras Government, Public Department,
27th April 1869.

2. It is observed that the sum of Rupees 870 on account of conservancy, inserted in G. O., dated the 25th February last, No. 252, was obtained from the estimate for 1868-69, the estimate for 1869-70 not having been received as yet in this Department. The estimates to which the Vice-President of the Bimlipatam Municipality refers were, it is believed, submitted for the information of the Public Works Department, as per orders, dated 7th and 31st August 1868, Nos. 959 and 1080.
