No. 236.

ORDER THEREON, 27th April 1869, No. 542.

The President of the Municipal Commission of the Town of Salem submits the estimates of the probable receipts and disbursements in that Municipality for the year 1869-70, from which it appears that the Commissioners propose to raise a sum of Rupees 24,550 by the levy of the taxes, &c., specified in the margin, which, together with the State contribution (Rupees 11,098-1-3) and the estimated balance on the 1st proximo, places at their disposal a sum of Rs. 48,160-1-3.

2. It is proposed to expend this money for the following purposes:—

	RS.	A.	P.
New works and improvements.....	10,700	0	0
Repairs.....	11,950	0	0
Conservancy.....	11,434	0	0

3. But the information furnished in the detail of estimates, A, regarding the drains and thoroughfares to be constructed at an outlay of Rupees 8000, and the buildings and roads to be repaired for Rupees 11,600, is very meagre; and the Government have not the means of satisfying themselves of the usefulness of the works which it is proposed to undertake at an outlay of nearly Rupees 20,000.

4. It has also not been shown under the head of "Conservancy" how many carts and parais are to be made up for Rupees 1000, or how many pairs of bullocks, or how many sweepers, are to be employed for Rupees 2600, and Rs. 2200, respectively. The particulars of the "Miscellaneous charges," amounting to Rupees 600, have also not been given. The President is requested to see that these omissions are supplied in future estimates.

5. His Excellency the Governor in Council sanctions the estimates, and directs the publication of the Notification of the taxes to be imposed, and the list of Commissioners, in the *Fort Saint George Gazette*.
