Proceedings of the Madras Government, Judicial Department,
8th February 1869.

No. 57. Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Madras, 27th January 1869, No. 175.

The salaries of the Jailer, Clerk, and Warders at the Central Jail, Cannanore, have hitherto been debited to the Jail in supposed conformity with the order noted in the margin, these individuals being employed in carrying on the ordinary duties of the Jail, the guarding of the convicts being performed by the Police; but the Deputy Collector has now, under the orders of the Deputy Accountant General, called upon the Superintendent of the Jail to refund the monies so drawn on the ground that the establishment was employed in guarding and ought to be paid by the Public Works Department, the officers of which disallow the claim upon the strength of the very order quoted. I have, therefore, the honor to request that the bills of the Superintendent of the Jail for the salaries of the Jailer, Clerk, and Warders may be duly passed.

Judicial Department, 4th August 1868, No. 1203.

2. The correspondence on the subject is herewith enclosed.

The amount should be recovered from the Public Works Department, and credited to the above head. The Plus and Minus Memorandum from September should be altered accordingly.

Warders, &c., employed in the Central Jail under my superintendence from May last, as he considers the establishment was employed in guarding convicts engaged in constructing the Jail, and should, therefore, have been paid by the Department Public Works, agreeably to Government Order, No. 1203, dated 4th August 1868. To meet the retrenchment I sent the bills to the Assistant Engineer, requesting him to forward them to the Controller of Public Works Accounts for audit, who has returned them unpassed, as he considers they should still be paid by the Civil Department, agreeably to the Government Order, Department Public Works, No. 2559, of the 11th August 1868. No. 58. ORDER THEREON, 8th February 1869, No. 185.

With reference to the letter above recorded, His Excellency the Governor in Council is of opinion that the salaries for the Jailer, Clerk, and Warders of the Jail at Cannanore should continue to be charged to the Civil Department, and their disbursement is authorized accordingly. These charges would necessarily have been incurred had there been no Central Jail under construction. The salaries of the Superintendent of a Central Jail, the allowance for the Medical Officer, and the establishment for watching the convicts while at work, are the charges which should be debited to the Public Works Department while the new Jail is under construction.
