Proceedings of the Madras Government, Public Department,
3rd May 1869.

No. 15. Read the following letter from the Acting Resident in Travancore and Cochin, to the Chief Secretary to Government, Fort Saint George; dated Trevandrum, 14th April 1869, No. 31.

Adverting to your letter, No. 329, dated 17th ultimo, I have the honour to state that I have received a letter from the Dewan of Travancore, by which it seems that the Telescope sent by the Right Honorable the Secretary of State to His Highness the Maharajah has been received direct, and I have now only to submit copy of the Dewan's letter, No. 1539, of the 13th instant, and to request that His Highness the Maharajah's acknowledgments may be duly conveyed to the Secretary of State as requested.

From the Dewan of Travancore, to the Acting Resident of Travancore; dated Trevandrum, 13th April 1869, No. 1539-380M.

From the correspondence noted in the margin you will observe that His Highness the Maharajah contributed to the Paris Exhibition of 1867 certain carvings in ivory, filagree-work in silver, lace, &c., manufactured in Travancore; and I understand from Major Michael, the Commissioner, deputed to Paris by the Madras Government, that the Right Honorable the Secretary of State for India has been pleased to send out to His Highness an Astronomical Telescope as a Souvenir of the Exhibition. The Telescope has arrived, and has given His Highness much satisfaction.

2. I am directed by His Highness to request you to be so good as to take steps with a view to convey to His Grace the Duke of Argyll His Highness' thanks for this very acceptable Souvenir.

No. 16. ORDER THEREON, 3rd May 1869, No. 572.

Ordered that a copy of the foregoing letter, and of its enclosure, be forwarded to the Secretary of State for India.

(True Extract).
