*Proceedings of the Madras Government, Public Department,  
5th May 1869.*

Read the following papers:—

No. 31. From the Superintendent General of Vaccination, Madras Presidency, to the Secretary to the Inspector General, Indian Medical Department, Fort Saint George; dated Madras, 16th February 1869, No. 282.

I have the honour to submit, herewith, a letter from the Accountant General, on a batta bill submitted from this department, for the orders of the Inspector General, Indian Medical Department; from what the Accountant General states, an Order of Government will become necessary to support the bill in submitting it to the District treasury.

2. In explanation thereof I beg to state that the Superintendent of Vaccination, Salem District, is also in charge of the Vaccinators employed in the Cantonment of Bangalore, and it is necessary that the Superintendent should visit Bangalore to inspect the work of the Vaccinators employed in that Cantonment periodically.

3. The Superintendent of Vaccination, Kurnool District, will have shortly to visit the Cantonment of Secunderabad for the same purpose, as I intend shortly to place this Superintendent in charge of the Vaccinators employed in the Cantonment of Secunderabad.

4. The Superintendents employed in the districts of Coimbatore, Salem, Madura, and Mangalore will have to visit the Neilgherries, Shervaroys, Pulneys, and Ammen Divi Islands periodically, and they will have to make special arrangements on these occasions to meet the extra expense they will have to incur for carriage, provisions, &c.

5. Occasionally, it may happen that in consequence of sickness, death, or other causes, the Superintendents of one district may have to visit another on duty to meet the requirements of the department. Under these circumstances, I beg respectfully to request that the usual travelling batta may be conceded to the Superintendents, as is the case in other departments, when required to proceed on duty from one district to another.

6. I would ask the same indulgence for the Superintendents who have to visit the Neilgherries, Shervaroys, Pulneys, and Ammen Divi Islands, although these places are in the districts to which the Superintendents belong, yet, from the peculiarities connected with them, it is necessary, as an inducement to have the work well looked after at these places, that the Superintendents should receive batta for the time they may be out on inspection duty.

No. 32. From the Superintendent General of Vaccination, Madras Presidency, to the Under Secretary to Government, Public, &c., Departments, Fort Saint George; dated Mangalore, 23rd March 1869, No. 472.

With reference to your docket, No. 102, of the 15th instant, I have the honour to state that I consider the usual batta, allowed to Uncovenanted Servants on the

receipt of similar salary to Superintendents of Vaccination when required to travel on duty beyond their districts, ample; the batta allowed in such cases is, I believe, for a person on the receipt of 70 Rupees a month twelve (12) Annas per day.

2. As to Superintendents required to visit special localities within their districts on inspection duty, one rupee per day will be necessary, as these places are expensive and require particular provision to be made on such occasions.

Post Audit Department.

With reference to endorsement, dated 2nd instant, on the letter from the Superintendent General of Vaccination, No. 472, dated 23rd ultimo, requesting sanction for the grant of batta to District Superintendents of Vaccination, I have the honour to state that, under the orders

Madras Government Order, 12th March 1861, No. 569,  
Revenue.—See paragraph 210 of the Uncovenanted Ser-  
vants' Vade Mecum.

of Government noted in the margin,  
Uncovenanted Servants of the Revenue

Department, on a salary of Rupees 70 per mensem, are allowed batta at 12 Annas per diem when absent from their head-quarters on duty within the limit of their districts. There seems to be no objection if Government see fit to a similar rate of batta being granted to the District Superintendents of Vaccination when ordered on duty beyond the limit of their districts, as well as to the grant of a special batta of one rupee per diem for such Superintendents as are required to visit the special localities named by the Superintendent General in his letter, dated 16th February 1869, subject to the confirmation of the Government of India.

No. 34. ORDER THEREON, 5th May 1869, No. 582.

The Superintendent General of Vaccination submits, for sanction, a batta bill for Rupees 9-8-0 for the Superintendent of Vaccination, Salem District, for second class Railway fare from Senkerrydroog to Bangalore and back.

2. The Superintendent General explains in his letter of the 16th February last, No. 282, that the Superintendent of Vaccination of the Salem District is in charge also of the Vaccinators employed in the Cantonment of Bangalore, and that it is necessary that he should visit the place periodically. That the Superintendent of Vaccination, Kurnool District, who has charge of the Vaccinators at Secunderabad, will have to visit that station. He requests that the usual travelling batta be granted to them, and to the Superintendents who may be deputed on duty from one district to another. He asks that the same indulgence should be conceded to the Superintendents of Coimbatore, Salem, Madura, and Mangalore, who will have to make special arrangements to visit the Neilgherry Hills, Shervaroy Hills, Pulney Hills, and the Ammen Divi Islands.

3. In his letter of the 23rd March last, No. 472, the Superintendent General recommends that 12 Annas per diem should be allowed to Superintendents of Vacci-

nation when required to travel on duty beyond their districts; and one rupee a day to the Superintendents who are required to visit the special localities within their districts described in the latter sentence of the preceding paragraph.

4. The Accountant General states that there is no objection to the rates of batta recommended by the Superintendent General being granted, subject to the confirmation of the Government of India.

5. The salary of a Superintendent being 70 Rupees, the batta of 12 Annas proposed by the Superintendent General is the same as that allowed under the orders of Government, dated 12th March 1861, No. 569, to Uncovenanted Servants in the Revenue Department whose salary is 50 Rupees and below 100 Rupees. The rate of one rupee is a special rate.

6. His Excellency the Governor in Council authorizes the payment of the batta bill for Rupees 9-8-0, and sanctions, subject to the confirmation of the Government of India, the rates of batta proposed by the Superintendent General of Vaccination. The special rate of one rupee per diem will be allowed only to the Superintendents of the districts of Coimbatore, Salem, Madura, and Mangalore when visiting the Neilgherry Hills, the Shervaroy Hills, the Pulney Hills, and the Ammen Divi Islands.

7. The Superintendents of districts will also be allowed, when travelling on duty by Railway, second class fare and batta for the day.

8. The passage of the Superintendent of Mangalore to the Divi Islands will be borne by Government.

9. It will be understood that the rates of batta now sanctioned will be disbursed only when the Superintendents are authorized by the Superintendent General of Vaccination to proceed on duty from one district to another, or when they make their visits of inspection to special localities in accordance with dates fixed by the Superintendent General.

To The Chief Secretary to Government  
Fort Saint George

Sir,

With reference to endorsement dated 2<sup>d</sup> Instant on the letter from the Superintendent General of vaccination No. 472 dated 23<sup>d</sup> ultimo requesting sanction for the grant of batta to District Superintendents of vaccination, I have the honor to state that under the orders of Government noted in the margin, unaccompanied servants of the Revenue Department on a salary of Rupees 70 per mensem are allowed batta at 12 Annas per diem when absent from their Head Quarters on duty within the limit of their Districts. There seems to be no objection if Government see fit to a similar rate of batta being granted to the District Superintendents of Vaccination when ordered on duty beyond the limit of their Districts as well as to the grant of a special batta of one Rupee per diem for such Superintendents as are required to visit the special localities named by the Superintendent General in his letter dated 16<sup>th</sup> February 1869, subject to the confirmation of Government of India.
