No. 45. Read the following letter from the Acting Collector of Malabar, to the Chief Secretary to Government, Fort Saint George; dated Calicut, 30th April 1869, No. 50.

I have the honour to submit a letter from the Sub-Collector, regarding a native feast to be held near Manatana, from the 24th May till about the 20th June next.

2. If the weather should be fine the space and natural shelter from trees is such at the spot in question that any assistance on the part of Government would be uncalled for; but as unfortunately the date fixed is one in which heavy showers and consequent fever may be expected, I think some shelter and medical attendance should be provided as recommended by the Sub-Collector.

3. As it is usual and proper for the Temple Managers to contribute towards these expenses, and as the habits of the people amount, in reality, to a very fair degree of conservancy, I do not think any large expenditure on the part of Government is called for.

I have informed the Sub-Collector of my opinion, and he will, doubtless, prevent any useless expenditure.

4. Under the circumstances, therefore, I have the honour to request that a sum of Rupees 500 may be put at the disposal of the Sub-Collector to carry out such measures as may be found necessary on the spot.

5. The Medical and Police Departments will be applied to for the needful aid.

No. 46. ORDER THEREON, 8th May 1869, No. 596.

The Government sanction such expenditure as may be absolutely necessary on the occasion of the festival at Kottiyur, but they are of opinion that, with the usual assistance given by the Managers of the Pagoda, so large a sum as 500 Rupees should not be required as the Government contribution.
