*Proceedings of the Madras Government, Public Department,
4th January 1869.*

No. 9. Read the following letter from Messrs. P. ORR and Sons, Mount road, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 18th December 1868.

We beg leave to address you respecting a small portion of the compound belonging to the Clothing Board Office, situated on the Mount road, which we are anxious to obtain as a building site.

2. We have been for some time desirous to build more commodious business premises on the Mount road, but the difficulty of obtaining a small suitable and vacant piece of ground has hitherto prevented us carrying out our intention.

3. We, therefore, take the liberty of addressing you now, with the view of ascertaining whether Government will, as tenants, object to the sale of a small piece of the compound in question, the owner being, we understand, willing to sell if assured that such sale will not affect the rental of the Clothing Board premises.

4. The piece of ground we desire, is that corner portion nearest Neill's Statue, in frontage about equal to the breadth of the unsightly stables now standing, with a little more ground in depth.

5. We trust our application may be favorably regarded, and begging you will be so good as to favor us with an early reply, we have, &c.

No. 10. ORDER THEREON, 4th January 1869, No. 5.

The Governor in Council sees no objection to a small portion of the compound of the house now used as the Clothing Board Office being appropriated as proposed by Messrs. Orr and Sons.
