*Proceedings of the Madras Government, Public Department,
12th May 1869.*

Read the following papers :—

No. 68. From the President of the Vagrancy Committee, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 14th April 1869.

Several Europeans who have lately arrived from Melbourne in charge of horses, and who are now in the Strangers' Home at Royapooram, have represented to the Committee that they were induced to come to Madras by assurances regarding the facility of finding employment here, which they now find to be entirely unfounded: they state that there are many men (situated like themselves) at Melbourne and other Colonial towns who have been led to entertain equally false expectations and are prepared to take the earliest opportunity of coming to Madras, and they have begged the Committee to cause it to be notified as widely as possible in the Colonies that there is no employment here for Europeans, and that the condition of a European without means or employment is far harder in India than it is in Australia.

2. The Government will not fail to be struck with the fact that these men have in their distress and disappointment spontaneously sought to save others from the mistake into which they themselves have been betrayed, and the Committee desire me to express their earnest hope that the Right Honorable the Governor in Council will be pleased to address such representations as he may think fit to the Colonial Governments in view to their warning persons intending to emigrate to this country of the utter hopelessness of such a step.

No. 69. From the Veterinary Surgeon, Governor's Body Guard, to the Acting Under Secretary to Government, Public, &c., Departments, Fort Saint George; dated Madras, 1st May 1869, No. 37.

In reply to your Official Memorandum, No. 185, of the 29th ultimo, I have the honour to state that this market is now principally supplied with Australian horses from Melbourne, Adelaide, and Perth. Within the last few years small numbers of horses have been received from Queensland, and several years have elapsed since any were imported from Sydney.

No. 70. To the Honorable the Colonial Secretary at Melbourne, dated Fort Saint George, 12th May 1869, No. 614.

I am directed by His Excellency the Governor of Madras in Council to forward, for the information of His Excellency the Governor of Victoria the annexed copy of a communication from the President of the Vagrancy Committee, Madras, in order that such action may be taken in the matter therein referred to as may to His Excellency seem fit.

(Signed) R. S. ELLIS,
Chief Secretary.
