Proceedings of the Madras Government, Public Department,
12th May 1869.

No. 71. Read the following letter from the President of the Municipal Commission, Conjeveram, to the Chief Secretary to Government, Fort Saint George; dated Sydapet, 1st May 1869, No. 94.

With reference to the Proceedings of Government, dated 9th instant, No. 463, I have the honour to state that the 100 Rupees per mensem to the Dispensary at Conjeveram was voted at a full meeting of the Municipal Commissioners of that town on the 15th February last, and was duly reported to me as President, and was endorsed by me as a very proper proceeding and was intended to have been duly reported to Government; but, owing to some mistake of my office clerks, was not so. I now, therefore, herewith beg to forward a copy of the said proceedings, which fully explain the circumstances under which the grant was voted, and trust the Government will now sanction it and note their approval of the liberality of the measure.

At a Meeting of the Municipal Commissioners for the Town of Conjeveram, under Section 18, Act X. of 1865, convened by the Vice-President on the 15th day of February 1869, at which were present—

N. Kistna Row, Vice-President.
M. Sawmy Naidoo, Commissioner.
Mr. J. Chadwick, do.
Subbaroya Moodelly, do.
Abdul Kadir Saib, do.
Basavalingappa Chetty, do.

The Civil Dispensary of this town not being in a flourishing state owing to a want of income, and His Excellency the Governor in Council of Madras, whilst inspecting the dispensary and its subscriptions during his arrival at this place, having also remarked that the amount of Rupees 30 which the Municipality now contribute is a trifle, and that they should pay a larger sum of money and look to the support of the institution, the Commissioners, considering these, have proposed to pay Rupees 100 a month, trusting that the dispensary will be placed in a better footing for the future, and the public in general reap its advantages.
