Proceedings of the Madras Government, Public Department,

14th May 1869.

No. 86. Read the following letter from the Magistrate of Bellary, to the Chief Secretary to Government, Fort Saint George; dated Hospett, 10th December 1868, No. 82.

I have the honour in reply to the Order of Government, Public Department, No. 712, dated 11th June 1868, to furnish the report on the town of Alloor therein called for.

2. The population at the last census was returned at 1744; there are 273 houses and 87 huts. It is stated that there are not more than a dozen persons who are in prosperous circumstances. The Tahsildar thinks that Rupees 550 might be raised annually under Act X. of 1865, but the Head Assistant Collector considers that this estimate is in excess of what the reality would prove. With the exception of the Tahsildar, Police Inspector, and one or two Government servants, the Head Assistant reports that none of the inhabitants are fitted to discharge the duties of Municipal Commissioners.

3. Under the above circumstances, I am not prepared to recommend that Act X. of 1865 should be extended to the village of Alloor: although the cusbah station, it has not the least pretensions to the dignity of a town.

No. 87. ORDER THEREON, 14th May 1869, No. 625.

Under the circumstances stated in the foregoing letter, the Government do not consider it advisable to introduce Act X. of 1865 in the town of Alloor, in the district of Bellary.
