14th May 1869.

No. 96. Read the following letter from the Acting President of the Municipal Commission, Calicut, to the Chief Secretary to Government, Fort Saint George; dated Calicut, 26th April 1869, No. 14.

I have the honour to submit the following bye-law, proposed by the Calicut Municipal Commissioners, and request the sanction of Government thereto :—

“ That in future the indiscriminate firing of rockets within the Municipal limits be prohibited, and that whenever persons wish to use rockets, they should not do so without sanction having been obtained from the Municipal Commission.”

2. Recently a man was killed and several others have been severely injured by accidents resulting from the careless use of rockets. An expended rocket came through the tiled roof of a European residence, and another very nearly struck Deputy Collector Cole. Hence the preposal of the bye-law, by which it will not be sought to curtail innocent public amusements, but to ensure responsibility being placed on the right persons in case of accident and some moderate care enforced.

No. 97. ORDER THEREON, 14th May 1869, No. 630.

Sanctioned.
