*Proceedings of the Madras Government, Public Department,  
14th May 1869.*

No. 98. Read the following letter from the Officiating President of the Municipal Commission, Masulipatam, to the Chief Secretary to Government, Fort Saint George ; dated Masulipatam, 20th April 1869, No. 88.

With reference to Section 31 of Act X. of 1865, I have the honour to submit, herewith, for the sanction of Government, amended estimates of receipts and expenditure prepared by the Commissioners of the town of Masulipatam for the year ending 30th April 1870. I regret that, by some oversight, the estimates formerly prepared appear to have been sent to the Secretary to Government in the Public Works Department, whereas a copy only ought to have been furnished to him.

2. There has been included in these estimates a sum of Rupees 1364, which the Commissioners proposed to pay to Government every year for the use of Kistna water supplied to the town. This has been calculated at the rate of four per cent. upon the actual cost of the works. The original proposals the Commissioners have submitted to Government through the Collector of Kistna and the Board of Revenue.

3. The Commissioners of Masulipatam request the sanction of Government for the levy of the following rates and taxes in this town during the year 1869-70 :—

1. A rate on houses and buildings at six per cent. on the annual value thereof.
2. A tax upon arts, professions, trades, and callings.
3. Tolls on carriages, carts, and animals entering the Municipal limits.
4. Taxes on carriages, horses, and other animals as described in Schedule C to the above Act X. of 1865, (Madras.)
5. Fees on the registration of carts.

ENCLOSURES 2.—Estimates.

No. 99. ORDER THEREON, 14th May 1869, No. 631.

The Government observe, from the estimates of the probable receipts and disbursements of the Masulipatam Municipality for the year 1869-70, that the

Rupees 3420.

Commissioners intend to raise a sum of Rupees 19,000 by the levy of the taxes, tolls, and fees indicated in the margin. This sum exceeds the amount estimated to be raised in 1868-69 by Rupees 7295, and the Government notice with disapproval that nearly one-half of the amount is to be raised from tolls.

2. The State contribution has not been correctly calculated. Twenty-five per cent. of the proposed expenditure (Rupees 27,065-14-0) is Rupees 6766-7-6 and not Rupees 6166-7-6.

3. The entry of Rupees 600 as " Government contribution on the collections of the last year not expended during the year" is also not correct.

4. Omitting this item, and adopting the correct amount of State contribution as above shown, the Commissioners will have at their disposal precisely the same amount (Rupees 27,566-7-6\*) as that inserted in Statement C.

police, and the Municipal office establishment, is equivalent to the anticipated receipts.

6. From the detail of estimates, A, it appears that the Commissioners contemplate expending a sum of Rupees 40,000 on roads, but there is no information in the estimate to enable the Government to form any opinion of the importance of the

roads on which so large a sum of money is to be expended. The "Roads," the "New Buildings," and the "Water-works" should all have been briefly described in the estimate, but as this has not been done the President is requested to supply the omission. The Government note that of the sum of Rupees 40,000 estimated for roads, not more than Rupees 7060 are to be spent during the year 1869-70.

7. The inclusion in the estimates of the sum of Rupees 1364, for the use of the water from the river Kistna, is approved.

8. With the alterations indicated in paragraphs 2 and 3 of this Order, the Government sanction the estimates for the year 1869-70, and authorize the levy of the taxes and tolls indicated in the foregoing letter. The necessary Notification will be published in the *Fort Saint George Gazette*.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from the  
 Resident Commissioner, Madras  
 (Circular, 28th April/69 No 88)

Order thereon No 631. 14th May/69.

The Government  
 observe from the estimates  
 of the probable receipts and  
 disbursements of the Madras  
 Municipal Corporation for the  
 year 1869-70, that the Commis-  
 sioner intends to raise a sum  
 of Rs 19,000 by the levy of the  
 taxes, tolls, and fees indicated  
 in the margin. This sum  
 exceeds the amount estimated  
 to be raised in 1868-69 by  
 Rs 7,295, and the Govern-  
 ment notice with disapproval  
 that nearly one-half of the  
 amount is to be raised from  
 tolls.

2. The State Contribution has not been correctly calculated. Twenty-five per cent. of the proposed expenditure (Rs 27,065-14-) is Rs 6,766-7-6 and not Rs 6,166-7-0.

3. The entry of Rs 600 as "Government Contribution on the collections of the last year not expended during the year" is also not correct.

4. Omitting this item and adopting the correct amount of State Contribution as above shown, the Commissioners will have at their disposal precisely the same amount (Rs 27,566-7-6) as that inserted in Statement C.

5. The cost of the works to be undertaken in 1869-70, the maintenance of the Police, and the Municipal Office Establishment, is equivalent to the anticipated receipts.

6. From the Detail of Estimates, it appears that the Commissioners contemplate expending a sum of Rs 4,000 on Roads, but there is no information in the Estimate to enable the Government to form any opinion of the importance of the roads on which so large a sum of money is to be expended. The "roads," the "new buildings," and the "works," should all have been briefly described in the Estimate, but as this has not been done, the President is requested to supply the omission. The Government note that of the sum of Rs 4,000 estimated for Roads, not more than Rs 700 are to be spent during the year 1869-70.

7. The inclusion in the Estimates of the sum of Rs 1364 for the use of the water

waits from the River Kistna  
is approved.

8 - With the alterations  
indicated in paragraph  
2. & 3 of this Order, the  
Government sanction the  
Estimates for the year 1867-70,  
and authorize the levy  
of the taxes and tolls  
indicated in the foregoing  
letter. The <sup>accompanying</sup> Notification  
~~a the subject with the~~  
~~list of Commisaries~~ will  
be published in the Fort
