MADRAS RECORD OFFICE.

Government of Madras.

Public DEPARTMENT

G.O. No. <i>638</i>	Press Mis.
Dated <i>18-5-1948</i>	

Not to be folded or roughly handled

No. 638.

FROM

THE HONOURABLE R. S. ELLIS, C. B.,
Chief Secretary to the Government of Fort Saint George,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,
 FINANCIAL DEPARTMENT.

SIR,

In accordance with paragraph 3 of the Rules dated 21st August 1867, Simla, I am directed to forward the accompanying memorial to the address of the Right Honourable the Secretary of State for India from I. Veerasawmy, late 1st Class Vaccinator in the Godavery District, representing that his services in the Vaccino Department extended over a period of twenty-nine years, and that, on the introduction of certain changes in that department in 1865, his services were dispensed with, and a gratuity of six months' salary, viz., Rupees 84, bestowed on him, and praying, on grounds set forth, that a half pension, or Rupees 7 per mensem, may be granted to him.

2. With reference to this memorial I am to state that, at the time Veerasawmy was thrown out of employ, Vaccinators were not eligible under the Rules for pension. Since then, however, the Government of India, in paragraph 30 of the resolution recorded in their Proceedings, Financial Department, dated 31st January 1868, No. 431, admitted Vaccinators to the privilege of the Pension Rules.

3. Adverting, therefore, to the long period of the memorialist's services and to the precedents quoted by him, this Government would submit his case, as a special one, to favourable consideration.

Vide Clause 4 of paragraph 4 of memorial.
 Also endorsement, No. 2080, dated 24th August 1864, on
 extract from Home Despatch to Government of India,
 dated 9th July 1864, No. 165.

4. I am also directed to state that, in the opinion of His Excellency the Governor in Council, it is just and expedient to extend the benefits of the Pension Rules to Vaccinators who were superannuated and have received gratuities under the old Rules, prior to the resolution above quoted; and I am to request that this Government may be authorized to give retrospective effect to the resolution, and to deal

NOTE.—There are six cases in which the service exceeds thirty years. accordingly with the very few cases in which the concession will be necessary.

FORT SAINT GEORGE,
 18th May 1869.

I have the honour to be,
 Sir,
 Your most obedient servant,

Chief Secretary.

TO

HIS EXCELLENCY THE GOVERNOR IN COUNCIL,

Fort Saint George.

The humble Petition of IMMANENI
 VEERASAWMY, late 1st Class Vaccinator of the Godavery District.

MOST HUMBLY SHOWETH,

That your humble petitioner forwarded, with his petition dated 6th September 1868, No. 1995, a memorial to the address of the Right Honourable the Secretary

of State for India, appealing against the endorsement granted by the Madras Government, which was returned with endorsement dated 17th February 1869, with reference to Rule No. IX. for memorials to Her Majesty's Government.

* With five enclosures.

2. That your petitioner, therefore, re-submits the said memorial,* duly authenticated by his signature, as ordered.

3. That your petitioner, therefore, humbly prays your Excellency to order the enclosed memorial to be forwarded to the Secretary of State for India.

4. That, for this act of great charity, your humble petitioner will ever pray.

RAJAHMUNDRY,
21st March 1869.

(Signed) యంమ్మనేని వీరాస్వామివ్రాల్.

To
THE RIGHT HONOURABLE THE SECRETARY OF STATE FOR INDIA IN COUNCIL,
London.

The most humble Memorial of IMMANENI
VEERASAWMY, late 1st Class Vaccinator
in the Godavery District, Madras Presidency.

MOST HUMBLY SHOWETH,

That your poor memorialist was appointed as a 2nd Class Vaccinator in this district on the 25th February 1836 on a salary of 10½ Rupees per mensem, and was promoted to the first class on Rupees 14 on the 3rd May 1849, he having earned the good opinion of his

superior officers by his discharging the duties entrusted to him faithfully and efficiently. That your memorialist had served the Honourable Government for twenty-nine years, three months, and eighteen days with good character, and, while he was performing the duties of his post with utmost care and zeal, which will be proved by the enclosed copy of certificate, he was thrown out of employ on the 13th of June 1865 in the

new arrangement effected in the Vaccine Department, it having warranted a reduction in the number of Vaccinators.

2. That your poor and helpless memorialist was consequently plunged into the abyss of poverty, the source of innumerable and unsufferable calamities.

3. That your poor memorialist was recommended for a pension of Rupees 7 by the Zillah Surgeon and the Superintendent of Vaccination, but a gratuity of only six months' pay (84 Rupees) was sanctioned by the Government, who, when petitioned by your memorialist for a pension, refused to comply with his request.

4. Your Lordship's poor memorialist, therefore, begs to lay his case before your merciful Lordship, and prays most submissively for a pension on the following grounds :—

1st.—Because your poor memorialist had continuously and faithfully served the Madras Government with good character for twenty-nine years, three months, and eighteen days.

2nd.—Because, had it not been on account of the introduction of the new system into the corps of Vaccinators, he would have served the Honourable Government for some time more as a Vaccinator, and thereby protected his large family.

3rd.—Because your memorialist is unable to get any means of livelihood in any department, as his old age stands as a bar.

* Under orders of the Secretary of State for India, dated 9th July 1864, No. 165, and Government of India, 24th August, No. 2080, Financial.

4th.—Because two of the Vaccinators who had served the Madras Government long like your poor memorialist were specially favoured* by your Lordship with pensions in 1864.

5th.—Because your Lordship sanctioned the pension of Rupees 4 for all Government servants in the inferior and ineligible grades who may be thrown out of employment on the reduction of establishment after thirty years' service.

6th.—Because Vaccinators on Rupees 10 and upwards were made eligible for pension by a recent order of Government, published at page 1176 of the Fort Saint George Gazette of May 1868.

7th.—Because he had drawn, during the whole period of his service, salaries of Rupees 10½ and Rupees 14.

8th.—Because thousands and thousands of the servants of the Honourable Government who served less than, and long like, your poor memorialist, were, and are fed by the great, charitable, and ever-memorable British Government, by bestowing pensions on them.

5. That your Lordship's poor and humble memorialist, therefore, most respectfully and submissively prays your Lordship to bring the foregoing into favourable and special consideration and grant him a pension of Rupees 7, being half of Rupees 14, which amount he had drawn from a long time up to date of his being thrown out of employ, and thereby protect his large family.

6. For this act of great charity, your Lordship's poor memorialist, as in duty bound, shall ever pray.

RAJAHMUNDRY,
21st March 1869.
