Pensions and Gratuities.

I am directed to acknowledge the receipt of your letter, No. 487, dated 22nd October 1868, submitting certain remarks by the Government of Madras on the recent orders of the Government of India regarding the grant of pensions to persons serving in Local Fund Establishments.

2. The local Government, it is observed, remarks that the orders of the Government of India, specified in the margin, "have gained considerable publicity, and "have been very generally received as

"binding Government to the grant of pensions to otherwise eligible servants of "Municipalities;" and it expresses an opinion that it is "somewhat premature, so "soon after the creation of municipal institutions, to decide upon assigning pensions "for municipal service, although it may hereafter be desirable, on the recommenda- "tion of the Municipal Commissioners, to sanction the grant of pensions to indivi- "duals for long and approved service."

3. In reply, I am desired to state, that the orders referred to must not be construed as in any way binding the Government to allow pensions, on retirement, to persons employed on Local Fund Establishments, or under Municipalities. Those orders simply permit local Governments to grant pensions to such persons, by removing the obstacles which heretofore existed against their admission to pension; but it will always remain with the local Governments to determine in what cases pensions will be refused.

Ordered that copies of the foregoing letter be sent to the Home and Public Works Departments, the several local Governments and Administrations, the Comptroller General of Accounts; the several Accountants General, and the Deputy Accountants General in independent charge.

No. 83. ORDER THEREON, 15th January 1869, No. 64.

Ordered that copies of the foregoing letter be furnished to the Revenue and Public Works Departments, and to the Presidents of the several Municipal Commissions.

I am directed to acknowledge the receipt of your letter No. 487, dated 22nd October 1868, submitting certain remarks by the Government of Madras on the recent orders of the Government of India regarding the grant of pensions to persons serving in Local Fund Establishments.

2. The local Government, it is observed, remarks that the orders of the Government of India specified in the margin "have gained considerable publicity, and have been very generally received as binding Government to the grant of pensions to otherwise eligible servants of Municipalities," and it expresses an opinion that it is "somewhat premature, so soon after the creation of municipal institutions, to decide upon assigning pensions for municipal service, although it may hereafter be desirable, on the recommendation of the Municipal Commissioners, to sanction the grant of pensions to individuals for long and approved service."

3. In reply, I am desired to state, that the orders referred to must not be construed as in any way binding the Government to allow pensions on retirement to persons employed on Local Fund Establishments or under Municipalities. Those orders simply permit local Governments to grant pensions to such persons, by removing the obstacles which heretofore existed against their admission to pension; but it will always remain with the local Governments to determine in what cases pensions will be refused.
