| 899                            | 20th March 1866.                                               | Calling for estimate for improving the water navigation from Chowghaut to the limits of the Cochin territory at Madalagum.                                                            | Now a Local Road. Will be sent to the Revenue Board when funds are available.<br>Gradual improvements are in progress with the maintenance allowance granted in G. O., No. 3,374 of 11th November 1865. |
| 1,783<br>3,402<br>1,156        | 6th June 1866.<br>24th Oct. "<br>15th April 1867.              | To submit plans and estimates for selected large irrigation works, which are proposed to be carried out by means of loan.                                                             | Calingaroyen Anicut and Channel Project will shortly be submitted.                                                                                                                                      |
| 2,317                          | 21st July 1866.                                                | To submit proposals for improving the Calingaroyen channel in a complete and detail form.                                                                                             | <i>Vide</i> Report printed with G. O., No. 3,712 of 27th November 1868.                                                                                                                                 |
| 2,940                          | 21st Sept. 1867.                                               | Calling for detailed plan and estimate for the drainage of Ootacamund as sketched out by Captain Tulloch.                                                                             | Dispensed with under G. O., No. 1,107 of 2nd September 1868, Public Department, communicated with G. O., No. 2,890 of 10th September, D. P. W.                                                          |
| 3,950                          | 20th Dec. 1867.                                                | Paragraph 27. Calls for estimates on new standard plans for Talook Cutcheries.                                                                                                        | Sanctioned in G. O., No. 3,339 of 22nd October 1868.                                                                                                                                                    |
| 32                             | 13th Jan. 1868.                                                | Calling for report whether there are any roads for the maintenance of which funds have been allotted in the Budget of 1868-69 both from Imperial and Local Funds.                     | Report made in letter printed with G. O., No. 3,788 of 4th December 1868, that double provision was made for the Dharapooram and Konghiem road in Coimbatore District.                                  |
| 546                            | 17th Feb. 1868.                                                | Calling for report on the proposal of the Collector of Malabar for the levy of moderate fees on boats crossing the dams on the Ponany canal.                                          | The Collector has been communicated with on the subject. Further report will follow.                                                                                                                    |
| 859                            | 16th March 1868.                                               | Calling for a plan and estimate for a new Custom House at Cochin.                                                                                                                     | Sent to Government with letter No. 117 of 27th September 1868.                                                                                                                                          |
| 997                            | 27th do. 1868.                                                 | Calling for a plan and estimate for a new Talook Cutcherry at Munjery in the Malabar District.                                                                                        | Sanctioned in G. O., No. 3,339 of 22nd October 1868.                                                                                                                                                    |
| 1,715                          | 29th May 1868.                                                 | Paragraph 12. Calling for supplemental estimate for widening and strengthening the Colinjeevady channel and improving the anicut.                                                     | Ready for submission.                                                                                                                                                                                   |
| 1,824                          | 10th June 1868.                                                | Calling for report of the survey operations in connection with new Irrigation projects.                                                                                               | Reported on in letter No. 102, of 18th August 1868.                                                                                                                                                     |

*Proceedings of the Madras Government, Public Works Department,  
1st March 1869.*

*List of Orders of Government, &c.—(Concluded.)*

| No.   | Year, month, and date. | Subject.                                                                                                                                                                                 | Explanation of cause of delay in forwarding a reply, and the probable date when it will be furnished. |
|-------|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------|
| 2,244 | 14th July 1868.        | Calling for plan and estimate for enclosing the Small Pox and Leper Hospitals at Calicut, including compensation for ground. Also report of the source from which the outlay can be met. | Ready for submission.                                                                                 |
| 2,261 | 15th do. 1868.         | Authorizing preparation of a plan and estimate for a Pier at Calicut.                                                                                                                    | Reported on. <i>Vide</i> papers printed with G. O., No. 3,304 of 19th October 1868.                   |
| 2,629 | 17th Aug. 1868.        | Calling for an estimate for enlarging and re-arranging the railed space in the Treasury building of the Coimbatore Collector's Office.                                                   | Estimate sent to the Collector on the 16th November 1868.                                             |
| 2,676 | 21st do. 1868.         | Calling for report of the source from which the cost of constructing Warders' Huts at the Coimbatore Central Jail can be met.                                                            | Will be reported later in the year.                                                                   |
| 2,829 | 4th Sept. 1868.        | Referring, for consideration, the question of constructing a bridge or causeway across the Kunnady river at Palghat.                                                                     | Under consideration.                                                                                  |
| 2,937 | 16th do. 1868.         | Requesting Superintending Engineer to consider whether a new weir and discharge channel from Ooty lake, proposed some time ago, are still necessary.                                     | Answered on 13th January 1868, letter No. 177.                                                        |

PONNACHY HILLS,  
13th January 1869.

(Signed) G. W. WALKER, Colonel, R. E.,  
*Superintending Engineer, 7th Division.*

No. 35.

ORDER THEREON, 1st March 1869, No. 658.

ESTABLISHMENT, No. 4.

1. The foregoing is a list of the Orders of Government of more than three months' standing remaining unanswered by the Superintending Engineer of the 7th Division on the 1st January 1869.

2. The undermentioned Orders having been replied to, may be omitted from future lists:—

G. O. No. 2,317, 21st July 1866.  
" " 2,940, 21st September 1867.  
" " 3,950, 20th December " "  
Mis. " 32, 13th January 1868.  
G. O. " 859, 16th March " "  
" " 997, 27th do. " "  
" " 1,824, 10th June " "  
" " 2,937, 16th September "

*Proceedings of the Madras Government, Public Works Department,  
1st March 1869.*

3. The explanation called for in paragraph 18 of G. O. No. 1,715, dated 29th May 1868, not having yet been submitted, Colonel Walker is requested to include the order in the next list of Unanswered References.

(True Extract.)

Colonel, R. E.,  
*Secretary to Government.*

To the Superintending Engineer, 7th Division.

Erd. S. T. Augustin.
