Proceedings of the Madras Government, Public Department,

1st June 1869.

No. 3. Read the following letter from the Collector of Nellore, to the Chief Secretary to Government, Fort Saint George ; dated Kistnapatam, 6th May 1869, No. 895.

With reference to the enclosed extract* from the Proceedings of the Municipal Commissioners of Nellore, at a meeting held on the 8th March 1869, I have the honour to request that I may be informed

whether, under the circumstances set forth in the extract, persons employed by the Municipality are eligible for pension.

Extract from the Proceedings of the Municipal Commissioners of Nellore, at a Meeting held on Monday the 8th March 1869.

4. Read Proceedings of Government, No. 195, dated 13th February 1869. In paragraph 2 of these Proceedings, it is ordered that "persons employed under Municipalities are not eligible for pension, unless they serve in eligible grades in the police, &c., or are under officers appointed by Government," as the President of this Municipal Commission is an officer appointed by Government.

Resolved that the President be requested to ask the Government whether, under these circumstances, the persons employed by the Municipality are eligible for pension.

(Signed) J. W. B. DYKES,
President.

(True Extract).

(Signed) H. E. STOKES,
Vice-President.

No. 4. ORDER THEREON, 1st June 1869, No. 729.

In the foregoing papers the Municipal Commissioners for the Town of Nellore inquire whether persons employed by the Municipality are, under the Resolution of the Government of India, dated the 27th January 1869, No. 477, eligible to pension.

2. It appears to Government that the Resolution adverted to applies exclusively to persons who "serve in eligible grades in the police of the Presidency Towns," "or in Municipal Police establishments in the Mofussil," which "are under Government control, or are under officers appointed by the Government."

3. It seems, however, to the Government to be rather premature to consider at present whether or not the servants, other than those attached to the police, employed by the Nellore Municipality, which has been but recently constituted, are eligible to pension.

4. The Towns' Improvement Act No. X. of 1865 makes no provision for pensionary grants. For the present the grant of a pension to any servant will depend on the good services rendered by him, and on such service being considered by the Municipal Commissioners sufficient to justify them assigning for the purpose a portion of the taxes raised annually for the conservancy and improvement of the town.
