No. 6. ORDER THEREON, 1st June 1869, No. 730.

In the Notification of the Government of India, dated 11th September 1868, of which a copy was furnished to the Acting Emigration Agent for the Mauritius, with G. O., 30th idem, No. 1231, the minimum proportion of females to be embarked on emigrant vessels from the port of Madras was fixed at forty to one hundred males. From the statement annexed to the foregoing letter, it appears that only sixty-six women and eight female children were embarked on the *Medusa* ; so that exclusive of female children there were twenty-four females less than the prescribed minimum and inclusive of female children sixteen females were deficient on board. Dr. Conran will explain why he has deviated from the explicit instructions of the Government of India on this matter.
