FROM

THE HONOURABLE R. S. ELLIS, C. B.,

Chief Secretary to the Government of Fort Saint George,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,

HOME DEPARTMENT.

SIR,

I have the honour to forward in reply to your letter, dated 13th May 1869,

Dated 28th January 1869, No. 122.

No. 2237, the enclosed copy of the Proceedings of this Government, sanctioning

an allowance of five Rupees per mensem for warm clothing to Vaccinators employed on hill stations. From the letter of the Inspector General of the Indian Medical Department, it will be seen that the allowance of five Rupees was to enable the Vaccinators to procure warm clothing and to meet the increased cost of living. Very great difficulty is experienced in procuring the services of Vaccinators for employment on the Hills as the natives until acclimatized suffer severely in health. The allowance is made monthly, in consequence of the constant changes which occur from resignations and absence on sick leave. I am to add that it is of great importance to promote vaccination on the Hills, where small-pox is very prevalent.

2. Under this further explanation His Excellency the Governor in Council trusts that the allowance will receive the sanction of the Government of India.

I have the honour to be,

Sir,

Your most obedient Servant,

FORT SAINT GEORGE,

3rd June 1869.

Chief Secretary.

 amount I am to observe seems quite
