Proceedings of the Madras Government, Public Department,
20th January 1869.

Read the following papers :—

No. 97. From the President of the Municipal Commission, Madras, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 8th January 1869, No. 13.

At a General Meeting of the Municipal Commissioners held on 25th November 1868, it was resolved to open out "Errabauloo Chetty Street" to the North Beach, and to close "Granary Lane," as shown in the accompanying plan, which would necessitate the purchase of the building No. 5, North Beach road, known as Williamson's shop, and negotiations for the same have subsequently been carried on by my Executive Engineer ; but on submitting the title-deeds of the premises to Messrs. Brockman, Prichard, and Barclay, they pronounced them to be defective, and recommended that application should be made to Government, under the provisions of the 104th Section of the Madras Municipal Act for 1867, to declare that the land and buildings are required for a public purpose, and to order the requisite proceedings to be taken for obtaining possession of the same.

2. I have, therefore, the honor to request that Government will be pleased, first, to sanction the improvement in question and the closing of Granary Lane, thereby rendered unnecessary ; and secondly, to declare that the land and buildings No. 5, North Beach road, are required for a public purpose.
