Proceedings of the Madras Government, Public Department,
17th June 1869.

No. 93. Read the following letter from the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 8th June 1869, No. 228.

With advertence to G. O. of 2nd April 1869, No. 417, Public Department, I have the honour to state that the Civil Surgeon, Tellicherry, who was directed, in obedience to the above order, to furnish an explanation of the causes which have led to the decrease in the number of patients in the dispensary at that station, has reported that he cannot account for the circumstance.

2. In the last Inspection Report of the Tellicherry Dispensary by the Deputy Inspector General of Hospitals, Southern Division, dated 25th November 1868, it is stated that Dr. Dickenson's conduct, general and professional, is satisfactory, and that he attends daily and prescribes personally at the dispensary. The falling off in the number of patients would not, therefore, appear to be owing to any want of attention on his part.

No. 94. ORDER THEREON, 17th June 1869, No. 823.
To be recorded.
