Proceedings of the Madras Government, Public Department,
17th June 1869.

No. 98. Read the following letter from the Secretary to the Government of India, Home Department, (Public), to the Chief Secretary to Government, Fort Saint George ; dated Simla, 3rd June 1869, No. 2541.

I am directed to forward herewith a copy of the letter noted in the margin from the Secretary to the Chief Commissioner of British Burmah, pointing out that the duties of the Deputy Inspector

No. 229-1, dated 17th March.

General of Hospitals, Pegu Division, as regards the Civil Medical Department of the province, are somewhat ill-defined, and bringing to notice two recent cases in which that officer appears to have caused inconvenience by acting without first consulting the Chief Commissioner.

2. The Governor General in Council considers that the Chief Commissioner of British Burmah has grounds for his representation, and that the course pursued by the local Deputy Inspector General of Hospitals is likely to be productive of confusion.

3. I am accordingly directed to request that, with the permission of His Excellency the Governor in Council, the Deputy Inspector General of Hospitals in the Pegu Circle may be instructed to refer to the Chief Commissioner on all questions affecting the civil medical arrangements of the province.

From the Secretary to the Chief Commissioner, British Burmah, to the Secretary to the Government of India, Home Department, (Medical) ; dated Rangoon, 17th March 1869, No. 229-1.

I have the honour, by direction of the Chief Commissioner, to bring to the notice of His Excellency the Right Honourable the Viceroy and Governor General in Council, that the duties of the Inspector General of Hospitals, Pegu Division, as concerns the Civil Medical Department of this province, are somewhat ill-defined ; and I am to solicit that, upon a consideration of the following statement, His Excellency in Council will be pleased to issue such instructions as will place the Deputy Inspector General under the orders of the Chief Commissioner in matters pertaining to the Civil Department.

2. In two cases of late the Deputy Inspector General of Hospitals has acted quite independently of the Chief Commissioner.

1st.—On the 21st December 1868, Dr. Jackson, in reporting to the Inspector General, Indian Medical Department, Lower Provinces, the death of one Ram Krith Ram, the Native Doctor of the Yoonzaleen Sub-Division, applied for another Native Doctor in his stead, and also urged the necessity of appointing two or three Native Doctors as supernumeraries to the establishment of this province. This application was forwarded to your office by the Inspector General with his letter, No. 694, dated 19th January, and the first intimation received by the Chief Commissioner of the application having been made was per your No. 587, dated 28th idem, transmitting copies of the correspondence, and placing the services of Hospital Assistants Bissessur Dyal and Indur Mun at the disposal of the Chief Commissioner.

2nd.—On the 29th January last Dr. Jackson forwarded to this office a letter from Mr. K. N. MacDonald, the Civil Surgeon of Prome, tendering his resignation owing to ill-health ; and, on the 3rd ultimo, before any arrangements could be made by the Chief Commissioner for relieving Mr. MacDonald, Dr. Jackson advised this office that he had received a telegram from Mr. MacDonald on the previous day requesting to be relieved by the 15th February, and had telegraphed in reply “ hand over to Native Doctor on the 15th and proceed to Rangoon,” thus virtually accepting Mr. MacDonald's resignation without the previous sanction of the Chief Commissioner, and creating a vacancy which could not be filled for some time, there being no other medical officer immediately available.

Proceedings of the Madras Government, Public Department,
17th June 1869.

3. On receipt of your letter, No. 4373, dated 4th November 1868, orders were issued to all medical officers in civil employ directing them to communicate with the Chief Commissioner through the head of their department, the Deputy Inspector General of Hospitals ; but the Chief Commissioner cannot think that it was ever intended by the Government of India that that officer should arrogate to himself the entire management of the Civil Medical Department independent of the local Government.

No. 99. ORDER THEREON, 17th June 1869, No. 825.

Resolved that the correspondence above recorded be communicated to the Inspector General, Indian Medical Department, with a view to his instructing the Deputy Inspector General of Hospitals in the Pegu Circle to refer to the Chief Commissioner, British Burmah, on all questions affecting the civil medical arrangements of the province.

Proceeding No. 229/1.

To,

The Secy to the Government of India
Home Department

Dated Rangoon, 17 March 1869.

Sir,

I have the honor by direction of the Chief Commissioner, to bring to the notice of His Excellency the Right Honble the Viceroy and Governor General in Council, that the duties of the Inspector General of Hospitals, Pegu Division, as concerns the Civil Medical Department of this Province are somewhat ill-defined, and I am to solicit that, upon a consideration of the following statement, His Excellency in Council will be pleased to issue such instructions as will place the Deputy Inspector General under the orders of the Chief Commissioner in matters pertaining to the Civil Department.

2. In two cases of late the Deputy Inspector General of Hospitals has acted

acted quite independently of the Chief Commissioner.

1st On the 21st December 1868, Doctor Jackson in reporting to the Inspector General, Indian Medical Department Lower Provinces, the death of one Ram Arith Ram the Native doctor of the Yonzaleen Sub Division applied for another Native doctor in his stead and also urged the necessity of appointing 2 or 3 Native doctors as supernumeraries to the Establishment of this Province. This application was forwarded to your office by the Inspector General with his letter N^o 694, dated 19th January and the first intimation received by the Chief Commissioner of the application having been made was per your N^o 507 dated 28th idem transmitting copies of the correspondence and placing the services of Hospital Assistants Bivchar Singh and Indur Mun at the disposal of the Chief Commissioner.

2nd On the 29th January last, Doctor Jackson forwarded to this office a letter from Mr. L. A. Mackinnon the

the Civil Surgeon of Prome, tendering his resignation owing to ill-health, and on the 3rd ultimo, before any arrangements could be made by the Chief Commissioner for relieving Mr. Macdonald. Doctor Jackson advised the office that he had received a telegram from Mr. Macdonald on the previous day requesting to be relieved by the 15th February and had telegraphed in reply "hand over to Native Doctor on the 15th and proceed to Rangoon" thus virtually accepting Mr. Macdonald's resignation without the previous sanction of the Chief Commissioner and creating a vacancy which could not be filled for some time, there being no other Medical officer immediately available.

3. On receipt of your letter N^o 4373 dated 4th November 1868, orders were issued to all Medical officers in Civil employ directing them to communicate with the Chief Commissioner through the head of their Department, the Deputy Inspector General of Hospitals, but the Chief Commissioner

Commissioner cannot think that it was ever intended by the Government of India that that officer should arrogate to himself the entire management of the Civil Medical Department independent of the Local Government.

No. 229/1 dated
the 17th of March

I am directed to forward herewith a copy of the letter noted in the margin from the Secretary to the Chief Commissioner of ~~British~~ ^{British} Burma pointing out that the duties of the Deputy Inspector General of Hospitals, P. & P. Division, as regards the Civil Medical Department of the Province are somewhat ill-defined, and being in notice two recent cases in which that officer appears to have caused inconvenience by acting without first consulting the Chief Commissioner.

2. The Governor General in Council considers that the

Chief Commissioner of British
Burmah has formed for his re-
presentation, and that the course
pursued by the local Deputy
Inspector General of Hospitals
is likely to be productive of con-
fusion.

3. I am accordingly directed
to request that with the permission
of His Excellency the Governor in
Council, the Deputy Inspector
General of Hospitals in the ~~Pro-~~
vince may be instructed to refer
to the Chief Commissioner on all
questions affecting the civil medi-
cal arrangements of the Province.
