Proceedings of the Madras Government, Public Department,

21st June 1869.

No. 120A. Read the following despatch from the Right Honourable the Secretary of State for India, to His Excellency the Right Honourable the Governor General of India in Council; dated India Office, London, 15th April 1869, No. 16, (Sanitary.)

The despatch of your Excellency's predecessor in Council, dated 8th January, No. 1 of 1869, transmitting twenty copies of a report on vital statistics in the Central Provinces, for the year 1867-68, has been considered by me in Council.

2. The Sanitary Commissioner of the Central Provinces has prepared his report with care and intelligence, but the doubts which he himself expresses as to the accuracy of the returns render it unsafe to draw any conclusions from them as to the vital statistics of the Provinces under his sanitary supervision.

3. I perceive with satisfaction that Dr. Cunningham, the Sanitary Commissioner with your Lordship's Government, is preparing a series of simple forms of vital statistics, which, I trust, will secure more correct registration in future. It is of great importance, for purposes of comparison and contrast, that the same forms should be in use throughout India.
