No 17 From

President Municipal

The Honorable P. S. Ellis.

Chief Secretary to Government
Fort Saint George

Sir I have the honor to ask the
attention of Government to their orders
in the Public Department dated 14th
October 1866 No 1013 and 20th November
No 1187 and respectfully to request a
reconsideration of the latter by which
the burden of maintaining three
miles of road beyond the town limits
is imposed on the Commissioners
2 In the first of the two orders
referred to above the Government observe
that the road from Pothanore being
already tolled at three places
it would be out of the question
to levy tolls also at the entrance
to the town. In the second they

withdraw the objection on condition that
the Commissioners maintain the road
from Pathana to the opposite limits
of Pimbatan town.

3. I respectfully submit that in
imposing this condition a violation
of their trust is forced on the Com-
missioners. They cannot legally spend
a single rupee of the funds for which
they are trustees for any other than
the purposes of Act X of 1855 and
these purposes are restricted to the area
comprised within the Municipal limits.
Under these circumstances I trust that
Government will see fit to cancel
that portion of the order which
throws upon the Commissioners the
maintenance of the Road to Pathana
beyond Municipal limits.

4. In their order of the 20th Novem-
ber the Government is making the
offer of the Municipal Commis-
sioners to contribute Rs. 500
per mile for the maintenance

of the road in question remarked ^{that} that
they did not consider a contribution
of Rupees 1500 at all a fair equiva-
lent for an estimated Revenue from
Tolls of Rupees 14100. They to point
out that the sum offered was more
than double the maintenance allow-
ance sanctioned by Government and
the Commissioners assuming that a
sufficient allotment for the upkeep
of the road had been made by the
State considered that they acted
~~very~~ liberally in doubling the grant.

5. Whatever orders Government may
see fit to pass with reference to the
future I have the honor to request
that as the Municipal Commissioners
have repaired the road for the last
three years at a cost of Rupees 7024. 10. 6
the Superintending Engineer may be
instructed to pay over to them the
Government maintenance allowance
received by him during that time.
The Government have already decided
that.

And would
like they
referred.

that the cause should be pursued
where important roads pass through
Municipal limits and it was only the
other day that I discovered that it
had not been followed here. I state
want showing the expenditure in
each year up to date is appended
for the information of Government.

I have the honor to be
Sir
Yours most obedt servant
