To

THE CHIEF SECRETARY TO THE GOVERNMENT OF BOMBAY.

SIR,

I am directed by His Excellency the Governor of Madras in Council to state that it has been arranged that Mr. Logan, the Sub-Collector of the district of Malabar, shall, at the close of the monsoon, visit the Laccadive Islands for the purpose of making an investigation into the condition of these Islands; and that Captain Basevi, 1st grade Surveyor of the Great Trigonometrical Survey of India, who has been directed to take certain observations on the Island of Minicoy, has applied to this Government for assistance in the transport of himself and his party to and from the Islands.

2. His Excellency in Council, therefore, wishes to be informed whether one of the small steamers or tugs, under the control of the Government of Bombay, can be placed at the disposal of this Government for the conveyance of Mr. Logan and Captain Basevi, with their attendants, numbering about forty persons, to their respective destinations. It is proposed that they shall embark at Calicut early in November, and the steamer, if available, will probably be required for about six weeks.

3. Should the Government of Bombay be able to furnish the steamer in accordance with the request now made, the date on which she should be ready at Calicut will, when definitely fixed, be communicated in due course.

I have the honour to be,

Sir,

FORT SAINT GEORGE,
22nd June 1869.

Your most obedient Servant,

Actg. Secy. to Govt.
