*Proceedings of the Madras Government, Public Department,
23rd June 1869.*

No. 154. Read the following letter from the President of the Calicut Municipal Commission, to the Chief Secretary to Government, Fort Saint George dated Calicut, 17th June 1869, No. 19.

The annual repairs of the roads in this Municipality are executed in the months of May, June, and July, as the rains then prevalent facilitate the work. Unfortunately during those very months the receipts are very trifling, as the chief and most productive taxes, those on lands, buildings, and professions, cannot be realized owing to the provisions of the Act. The result is that our funds are now exhausted, and we are unable to cast metal in the quantities required. By their Proceedings, dated 27th May 1868, No. 650, the Government granted 3000 rupees to the Municipality as an advance for emergent works, subject to adjustment afterwards as a portion of the Government contribution. I beg the Government will be pleased, for the reasons stated, to make an advance of Rupees 5000 to be similarly adjusted.

No. 155. ORDER THEREON, 23rd June 1869, No. 870.

The Governor in Council sanctions the advance of Rupees (5000) five thousand to the Municipality of Calicut, to be adjusted hereafter as a portion of the Government contribution for 1869-70.
