Proceedings of the Madras Government, Public Department,
30th June 1869.

No. 168. Read the following letter from the Sanitary Commissioner, Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 8th June 1869, No. 2000.

I have the honour to solicit that you will be so good as to submit for the orders of Government the question of my claim to halting batta when employed on inspection duty at out-stations distant from Madras.

2. This reference is made in consequence of a hesitation on the part of the Officiating Examiner of Claims to pass an allowance under this head to me as having been recently employed on duty at Bangalore and Ootacamund.

3. So long as the Sanitary Commissioner's appointment was in the Military Department, he was, under Military rules, entitled to (1), mileage by road and rail at the rate of 2 and 3 Annas respectively; (2), to 1st class Railway tickets at 2nd class rates; and (3), to free carriage by rail for one horse.

4. The last two named privileges are now no longer available, as this office has been transferred to the Civil Department since 1st April 1869.

5. On the occurrence of this transfer my Secretary solicited from the Secretary to the Sanitary Commissioner with the Government of India information as to the rate at which, subsequent to the transfer to the Civil Department, that officer received detention allowance. In reply Dr. Cunningham stated that "no change had been made in the rate of travelling allowances drawn by the Sanitary Commissioner and his Secretary consequent on the transfer of their office to the Civil Department.

"No halting allowance," he added, "has

* Government resolution, 10th September 1868.

"yet been drawn; but as Rupees 4 a day

"on this account was sanctioned* for the

"Sanitary Commissioners with the local Governments and Administrations, it is
"presumed that this charge would not be objected to."

6. The resolution of the Government of India, referred to in the foregoing quotation, may be found in the supplement of the *Gazette of India*, page 982, dated 17th October 1868.

7. I trust that Government may be pleased to sanction the allowance of halting batta to myself and my Secretary, when absent at up-country stations, in consideration not only of the unavoidable expense then incurred by us, but also of the very serious addition to ordinary expenses by rail in consequence of the recent withdrawal of the second and third privileges noted in the 3rd paragraph of this letter. These privileges are no longer granted to me or my Secretary, because (though commissioned in the Military Department) we are now in civil employ.

8. I may observe that the Honourable Mr. Ellis suggested that 10 Rupees a day should be allowed to him, and 5 Rupees a day to his Secretary, then an *Assistant Surgeon*, "being the rate to which he would be entitled if employed as *Zillah Surgeon*." As my position is analogous to that of the present *Inspector General of Mofussil Police* and the *Inspector General of Jails*, who are both military men in civil employ, I trust that Government may be pleased to grant to me an allowance equal to that drawn by these officers.
