*Proceedings of the Madras Government, Public Department,
5th July 1869.*

No. 15. Read the following Proceedings of the Board of Revenue, dated 24th June 1869, No. 4547.

Read the following letter from the Officiating Collector of the Kistna district, to the Acting Secretary to the Board of Revenue; dated Masulipatam, 27th May 1869, No. 153.

The Assistant Collector in charge of the General Deputy's Division, in a letter, No. 31, dated 8th May 1869, states that Palnad and Vinukonda, two of the three taluqs comprising his charge, are, "from their jungly nature, very unhealthy during the greater part of the year." The head-quarters of his division being fifty-three miles from Guntoo, the nearest place from which medical assistance could be obtained, the services of a Dresser, if attached to his office, will be useful, not only to Government servants, but also to the people. Small-pox has lately been prevalent in Palnad, where in one village it appears as many as 200 persons (chiefly children) had died from the effects of it since the beginning of the year. The Superintendent of Vaccine has been requested to send a Vaccinator to Palnad without delay.

2. I have the honour to request that the Board will be pleased to obtain the sanction of Government to post a subordinate Medical Officer to Vinukonda, as already sanctioned in Proceedings of Government, No. 323, dated 16th March 1869, Public Department.

Submitted for the favourable consideration of Government

2. The Board consider the early appointment of the Medical Subordinate Officer, sanctioned under date 16th March 1869, for the establishment of the Deputy Collector at Vinukonda, is necessary.

(A true Copy and Extract).

Sub-Secretary.

No. 16. ORDER THEREON, 5th July 1869, No. 906.

Communicated to the Inspector General of the Indian Medical Department who will, if possible, at once detail a medical subordinate for employment in the Vinukonda taluq.

(True Extract).
