*Proceedings of the Madras Government, Public Department,
7th July 1869.*

No. 30. Read the following letter from the President of the Municipal Commission, Tinnevelly, to the Chief Secretary to Government, Fort Saint George; dated Tinnevelly, 19th June 1869, No. 212.

As requested in Proceedings of Government, dated 15th April 1869, No. 491, I have the honour to submit revised estimates of receipts and disbursements of the Tinnevelly and Tuticorin Municipalities for 1869-70.

2. The estimates for Palamecottah will be submitted separately, as the proposal of the Commissioners to extend the Municipal limits is now before Government.

No. 31. ORDER THEREON, 7th July 1869, No. 920.

As required in paragraph 2 of G. O., dated the 15th April last, No. 491, the President of the Municipal Commissions of Tinnevelly and Tuticorin submits revised estimates of the probable receipts and disbursements in those Municipalities for the year 1869-70.

2. In the *Tinnevelly* Municipality it is proposed to raise by the levy of the tax on houses and buildings, tolls, tax on carriages and animals, registration of carts, fees and fines Rupees 18,900, which, with the Government contribution of Rupees 5585-8-0, (not Rupees 6300,) places at the disposal of the Commissioners Rupees 24,485-8-0, instead of Rupees 25,200, as shown in the estimate.

	RS.
Tax on Houses and Buildings.....	4,000
Tolls.....	12,800
Tax on Carriages and Animals.....	800
Registration of Carts, &c.....	800
Fees for licensing Slaughter-houses, Cart-stands, &c.....	200
Fines and other receipts.....	300
Total...	18,900

3. The Commissioners have calculated the Government contribution on the gross expenditure. It should properly be only on such portion of the expenditure as falls under the purposes specified in Section 25. The probable gross expenditure, as per estimate B, is Rupees 25,200. Deducting from this the items noted in the margin, the amount on which the contribution should be computed is reduced to Rupees 22,342, and twenty-five per cent. thereon is Rupees 5585-8-0 as above shown.

	RS.
Lanterns.....	1,500
Oil.....	400
Planting Coconut trees.....	400
Gardener Maistry.....	108
Five Gardeners.....	300
Total...	2,858

4. The expenditure under the head of "New Works," "Repairs," "Conservancy," "Police," and "Establishment," amounts to Rupees 22,342, and for purposes other than those specified in Section 25 to Rupees 2858, and exceeds the receipts by Rupees 714-8-0, which, it is presumed, may be met from the balance remaining at the close of the last year.

	RS.	A.	P.
New works and improvements.....	8,600	0	0
Repairs.....	2,900	0	0
Conservancy.....	2,644	0	0
Police.....	5,870	12	11
Establishment.....	2,327	3	1
Total...	22,342	0	0
For purposes other than those specified in Section 25.....	2,858	0	0
Total...	25,200	0	0

5. The Commissioners of the *Tuticorin* Municipality estimate their income at Rupees 13,186-10-8, and have arranged their expenditure accordingly.

Proceedings of the Madras Government, Public Department.

7th July 1869.

	RS.	A.	P.
Tax on Arts, Trades, and Professions.....	2,500	0	0
Tolls.....	7,000	0	0
Registration of Carts, &c.....	215	0	0
Fees for Licensing Slaughter-houses, Cart-stands, &c.....	65	0	0
Fines and other receipts.....	110	0	0
Total...	9,890	0	0
Government contribution.....	3,171	10	8
Total...	13,061	10	8

6. The sources from which the income is derived are indicated in the margin; but in consequence of an erroneous computation the State contribution is reduced from Rupees 3296-10-8 to Rupees 3171-10-8, which affects the anticipated income to the extent of Rupees 125.

7. The expenditure is distributed under the following heads:—

	RS.	A.	P.
New works and improvements.....	4,400	0	0
Repairs.....	1,960	0	0
Conservancy.....	1,300	0	0
Police.....	2,909	2	9
Establishment.....	2,117	7	11
	12,686	10	8
For purposes other than those specified in Section 25.....	500	0	0
Total...	13,186	10	8

8. The entry in the estimate B. of Rupees 1017-7-11 “for purposes other than those specified in Section 25” is incorrect, as it appears from the details of estimates A. that Rupees 517-7-11 of the amount are intended to defray postage, sundries, printing, office rent, &c., and should be charged to purposes under Section 25. The amount for purposes other than those specified in that Section will, as above noted, be Rupees 500, for the lighting of the town.

9. The Government are constrained to remark that the information given in the detail of estimates A. for the Tuticorin Municipality is still very meagre. The President should, therefore, send a copy of the details furnished by the Commissioners of Tinnevely to the Commissioners of Tuticorin, and request that they will prepare their estimates in a similar form in future.

10. The estimates, as above modified, are approved and sanctioned.
