No. 40A. From the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 24th June 1869, No. 246.

I have the honour to acknowledge the receipt of letter from the Government of India, referred with your endorsement of the 16th instant, requesting to be informed whether it has not been found possible to effect some saving by a reduction in the establishment attached to the female wards of the General Hospital, in consequence, it is presumed, of the establishment sanctioned for the Vepery Hospital for women and children, to which the female patients of the former institution were transferred.

2. In reply I have the honour to state, for the information of Government, that the establishment of the female wards of the General Hospital consisted of only one native nurse on 5 Rupees and a female toty on Rupees 3-8-0 per mensem, and that they were discharged from the date of the patients having been transferred to the Vepery Hospital.

No. 41. To the Secretary to the Government of India, Home Department, dated Fort Saint George, 8th July 1869, No. 928.

Adverting to Mr. Under Secretary Geoghegan's letter of the 3rd ultimo, No. 2549, inquiring, with reference to the establishment sanctioned for the Female Hospital in Vepery, whether some corresponding saving could not be effected by a reduction in the establishment attached to the female wards of the General Hospital, I am directed to forward the accompanying copy of a letter from the Inspector General, Indian Medical Department, from which it will be seen that the latter establishment was discharged from the date on which the patients were transferred to the Vepery Hospital.
