Proceedings of the Madras Government, Public Department,
23rd January 1869.

No. 114. Read the following letter from the Acting Inspector General of Ordnance and Magazines, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 18th January 1869, No. 296.

Ordnance Department.

I have the honor to report that the Superintendent of Stationery has brought to notice deficiencies in certain packets of Stationery received from England *ex Walmer Castle*.

2. Attached is a statement particularizing the deficiencies.

3. The packets containing the descriptions of Stationery in question have been heretofore received in full reams, containing 40 folds of half quire, or 12 sheets each; but this practice appears recently to have been discontinued, and the Stationery alluded to sent out in half-ream packets in which deficiencies have been found.

4. I have the honor to request that the circumstance may be brought to the notice of the Right Honorable the Secretary of State for India, with the view of its obviation in future shipments.

5. It will be observed that in one packet only was a surplus found of six sheets.

6. I request the sanction of Government for the deficiencies alluded to being written off, and the surplus brought to account.
