*Proceedings of the Madras Government, Public Department,
13th July 1869.*

No. 68. Read the following despatch from the Right Honourable the Secretary of State for India, to His Excellency the Right Honourable the Governor General of India in Council; dated India Office, London, 15th April 1869, No. 15, (Sanitary.)

The despatch of your Excellency's predecessor in Council, dated 21st December, No. 10 of 1868, transmitting the Mortuary Returns of the North-Western Provinces for the year 1867, has been considered by me in Council.

2. The Lieutenant Governor has pointed out that little reliance can be placed on these returns. A considerable time must probably elapse before statistics of any value relative to births and deaths can be obtained; but I rely with confidence on the united efforts of all officers charged with the administration for the attainment of this great object.
