Proceedings of the Madras Government, Public Department,
15th July 1869.

No. 82. Read the following letter from the President of the Vizagapatam Municipal Commission, to the Chief Secretary to Government, Fort Saint George; dated Vizagapatam, 28th June 1869, No. 248.

With reference to Section 31 of the Towns' Improvement Act, I have the honour to forward herewith estimates of the Palcondah Municipality for 1869-70, and request that the sanction of Government may be obtained to the same.

ENCLOSURES 3—Estimates.

No. 83. ORDER THEREON, 15th July 1869, No. 971.

The President of the Palcondah Municipal Commission submits, with his letter above recorded, the estimates of the probable receipts and disbursements in that Municipality for the year 1869-70.

2. It is proposed to raise, by the levy of the several taxes described in the margin, Rupees 6815, which, with the Government contribution, (Rupees 2057-10-8,) places at the disposal of the Commissioners Rupees 8872-10-8.		
Tax on Arts, Trades, and Professions.....	RS. 1,000	A. P. 0 0
Tolls for eleven months.....	5,500	0 0
Tax on Carriages and Animals.....	40	0 0
Registration of Carts and Vehicles without springs.....	200	0 0
Fees for licensing Slaughter-houses, Cart-stands, and offensive trades.....	25	0 0
Fines and other miscellaneous receipts.....	50	0 0
Total...	6,815	0 0
Government contribution at twenty-five per cent. on the total amount to be expended.....	2,057	10 8
Grand Total...	8,872	10 8

3. It is observed that nearly four-fifths of the amount to be raised are from tolls, while the Commissioners do not contemplate imposing the rate on houses, buildings, and lands. The Government disapprove of this arrangement. The taxes prescribed by the Towns' Improvement Act are now for the first time to be imposed in the town of Palcondah, and the Government are of opinion that the Commissioners should impose the rate on houses, buildings, and lands, and not depend only upon the revenue from tolls, which will probably be affected by the revision of the Act referred to.

4. The expenditure is estimated at Rupees 8230-10-8, and is distributed under the following heads:—

	RS.	A.	P.
New works and improvements	2,800	0	0
Repairs.....	2,000	0	0
Conservancy.....	918	0	0
Police.....	1,430	0	0
Establishment	1,032	0	0
Miscellaneous charges.....	50	0	0
Total...	8,230	10	8

5. The allotment under "new works" provides for a "Municipal meeting-room," "new roads," and "new drains." Provision should also, however, be made for a certain number of "latrines" and "dust-boxes." This may be done from the balance (Rupees 642) available.

*Proceedings of the Madras Government, Public Department,
15th July 1869.*

6. In the detail of estimates A, the number of carts to be hired and the number of sweepers to be employed have not been given. The detailed estimate furnished by the Superintendent of Police has also not been submitted.

7. The Government contribution should be calculated on the total expenditure, (Rupees 8230-10-8,) the details entered in the estimate, A, showing that they relate to purposes specified in Section 25 of the Act.

8. The Notification of the taxes, which will be published in the *Fort Saint George Gazette*, will include the rate on houses, &c.

9. The estimates are approved and sanctioned, subject to a moderate rate on houses, buildings, and lands being levied.
