*Proceedings of the Madras Government, Public Department,
15th July 1869.*

Read the following papers:—

No. 87. From the President of the Municipal Commission for the Town of Madras, to the Secretary to Government, Public Works Department, Fort Saint George; dated Madras, 23rd June 1869, E. No. 852.

With reference to Proceedings of the Government of India in the Financial Department, (Accounts,) dated Fort William, 27th February 1869, No. 1219, the Accountant General informs me that, although he has received this Resolution of the Government of India direct from the Finance Department, he still requires the authority of the local Government to make such advances to me out of the thirteen lacs, as I may, from time to time, require for carrying on the water-works.

2. I shall feel obliged, therefore, by your obtaining the sanction of Government as the works are rapidly proceeding, but have hitherto been paid for out of Municipal funds.

Transferred to the Public Department, with a view to the necessary orders being issued to the Accountant General.

FORT SAINT GEORGE,
24th June 1869.

(Signed) C. A. ORR, Colonel, R. E.,
Secy. to Govt., P. W. D.

No. 88. From the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 6th July 1869, No. 94.

Budget and Resource Department.

With reference to the Official Memorandum from the Acting Under Secretary to Government, No. 269, dated the 30th ultimo, and its enclosure, I have the honour to state that no provision was necessary in the Civil Budget Estimate for the current year for the sum of thirteen lacs sanctioned by the Government of India to be paid to the Municipality of Madras on account of the water-supply project, as the payment is to be viewed in the light of a loan, repayable in instalments of two per cent. per annum. It is, therefore, within the competency of Government to direct the disbursement, from time to time, of such sums as may be actually required for carrying out the works.

2. These payments when made will be debited in the accounts to "Advances recoverable," pending further instructions from the Government of India, with reference to the last paragraph of their Financial Resolution, No. 1219, dated the 27th February last.

No. 89. ORDER THEREON, 15th July 1869, No. 973.

The Accountant General is authorized to make such advances from the loan of thirteen lacs, sanctioned by the Government of India, as the President of the Municipal Commission, Madras, may, from time to time, require for the construction of works connected with the water-supply project.
