Proceedings of the Madras Government, Public Department,

15th July 1869.

No. 90. Read the following letter from the President of the Coonoor Municipal Commission, to the Chief Secretary to Government, Fort Saint George; dated Neilgherry Hills, 29th June 1869, No. 31.

I have the honour to forward certain draft bye-laws for the Coonoor Municipality, and request the sanction of Government for the same.

No. 91. ORDER THEREON, 15th July 1869, No. 974.

The President of the Municipal Commission for the town of Coonoor submits six additional bye-laws for that Municipality, numbered 33 to 38.

2. Bye-law 33 lays down a scale of fees to be paid for carts, bullocks, &c., entering the market. The Government approve of the scale with the exception of the fee of four annas for a cart, which, considering the delay and difficulty attending the ascent of the Coonoor Ghaut, is excessive; two annas would be a more equitable fee, and the Government would suggest its adoption.

3. Bye-law No. 35, which requires that no person shall cut grass on the sides of the roads, &c.; No. 36, that persons shall not wilfully or indecently expose themselves; and No. 37, prohibiting persons from beating tom-toms, having been passed for other Municipalities, the Government approve their adoption at Coonoor.

4. The Government observe that the fee of four annas proposed in Bye-law No. 38 for every one hundred superficial feet of ground occupied as a timber yard is equivalent to Rupees 8 per ground, or Rupees 144 per cawnie. They would suggest that the fee be reduced to two annas per one hundred superficial feet.

5. With the exceptions above noted, the Government approve the adoption of the bye-laws, and direct their publication in the *Neilgherry Gazette* for a period of one month. Six copies of the sheets containing the bye-laws will be forwarded for record in the Government Office.
