Sir,
Th. A. Happell Esq^r
Vice President of the
Municipal Commission
Ellore.

I beg respectfully to report that I have audited the accounts of the Ellore Municipal Commission for the year ending 30th Apr 1869. There are complete vouchers for every item of expenditure. I may point out that in a voucher dated the 1st August 1868 prepared for the contingent charges incurred during the month of July, the amount actually spent seems to be Rs 10-8-0. The Commission passed the charges only to the amount of Rs 9-6-0. The remainder, Rs 1-2-0 was not paid back. With the exception of this item all the items of expenditure have correct vouchers. The Cash Account and the Deposit

posit (Kittak) were prepared with circum-
spection: and are open to no remark. It
is not say the same for the pay abstracts,
one of which were written in a bad hand.

I beg to remain

Sir
