Proceedings of the Madras Government, Public Department,
10th August 1870.

No. 61. Read the following letter from the President of the Municipal Commission, Palghaut, to the Chief Secretary to Government, Ootacamund, dated Calicut, 27th July 1870, No. 32 :—

I have the honour to forward, for the favourable consideration of Government, copy of a resolution passed by the Municipal Commissioners of Palghaut.

2. In the estimate submitted to, and passed by, Government for current year, a sum of Rupees 500 was allotted for a public garden, but was struck out among other items in the Government Order, dated 28th April 1870, No. 524, in order to bring the expenditure within the income which had been over-estimated.

3. The Commissioners are anxious that funds should be provided for the purpose. A sum of 500 rupees was provided in the Budget for expenditure on police accommodation to meet a proposed increase of the force; but the Inspector-General having objected to any increase, the scheme has been abandoned.

4. The sum is, therefore, a saving, and it is requested that sanction may be granted for its transfer to the public garden.

The Budget provision of Rupees 500 for a new Station-house at Kulpatty being no longer necessary, resolved that Government be asked to sanction the transfer of the amount to the public garden.
