Proceedings of the Madras Government, Public Department,

10th August 1870.

No. 63. Read the following letter from the President of the Municipal Commission, Madura, to the Chief Secretary to Government, Ootacamund, dated Madura, 22nd July 1870, No. 39 :—

In accordance with the provisions of Section 46 of the Towns' Improvement Act, I have the honour to submit, for the sanction of Government, a resolution of the Commissioners to reduce the tax levied on "every Pleader and practising Vakeel not included in Class II." of Schedule A. of the Act, from Rupees 12 to Rupees 8 per annum.

2. The Pleaders whose taxes the Commissioners now propose to reduce are, as a body, attached to the Madura Moonsiff's Court, and up to the present year have been assessed under Class III. of Schedule A. Frequent appeals having been preferred by them to the Commissioners, complaining of the severity with which the high rate of assessment told upon them, the Commissioners were induced to hold a careful inquiry into the circumstances of these men, and the success of their profession, the result of which was that, at a general meeting held on the 18th instant, the Commissioners resolved upon obtaining the sanction of Government to the reduction above proposed, as being one which would sufficiently meet the requirements of the case.

Extract from the Municipal Proceedings of the Meeting held on the 18th July 1870.

PRESENT.

Hon. D. Arbuthnott, *President.*

L. A. Campbell, Esq., *Vice-President.*
