*Proceedings of the Madras Government, Public Department,
17th August 1870.*

No. 107. Read the following Proceedings of the Government of India in the Financial Department, dated Simla, 9th July 1870, No. 1882 :—

Read—

Home Department's Endorsement, No. 37, dated 8th February 1870, forwarding a request by the Government of Madras that the Office Establishment of the Sanitary Commissioner of that Presidency might be put on an equal footing, with respect to travelling allowance, with the Office of the Sanitary Commissioner to the Government of India.

Read also the reports (deposited) of the several Accountants-General respecting the practice in their respective Provinces.

RESOLUTION.—The Governor-General in Council regrets his inability to accede to the request of the Government of Madras. Everywhere else the office establishments of Sanitary Commissioners are under the local Civil Rules for travelling allowance, but at present the Clerks, &c., in the office establishment of the Sanitary Commissioner, Madras, receive more than the ordinary civil rate, under some rule in force in the Military Department to which the Sanitary Commissioner was attached till recently. Present incumbents will be allowed the benefit of this favourable rate, and orders respecting the particular civil rate of the Madras Presidency, which should apply prospectively, will be issued hereafter on receipt of a report from the Accountant-General, Madras.

Ordered that the foregoing Resolution be communicated to the Home Department.

Ordered, also, that a copy be forwarded the Accountant-General, Madras, with a request that he will be good enough to report what establishments, besides that of the Sanitary Commissioner, enjoy a more favourable rate of travelling allowance than the ordinary Civil rate, and to specify the exceptional rates.
