*Proceedings of the Madras Government, Public Department,
17th August 1870.*

No. 109. Read the following letter from the President of the Municipal Commission, Bellary, to the Chief Secretary to Government, Ootacamund, dated Bellary, 30th July 1870, No. 83 :—

I have the honour, under Section 145 of the Towns' Improvement Act, to submit, for the approval and consideration of Government, the following bye-laws, which the Commissioners consider necessary :—

“ No person afflicted with noxious or loathsome disease shall vend or offer for sale any article of food.

“ No bullocks shall be allowed to wear bells within Municipal limits.

“ Brass and other metal vessels used for conveying water must be secured to the watter carts, so as to prevent all rattling and jingling.”

2. The first has been already sanctioned by Government for the Coimbatore Municipality in Government Order, No. 1322, dated 23rd October 1867.

3. The second and third do not appear to have been hitherto sanctioned.

4. The object of both is to prevent accidents by horses getting frightened. A great deal of the water used in the town is carried from tanks in huge metal vessels placed on carts. These vessels when empty are seldom properly secured, and the noise made is often sufficient to frighten any horse.

No. 110. ORDER THEREON, 17th August 1870, No. 1043.

Under Section 145 of the Towns' Improvement Act, His Excellency the Governor in Council approves and confirms the first of the bye-laws proposed in the foregoing letter for the Municipality of Bellary. It will be published for one month in the *Bellary District Gazette*.

2. The other two bye-laws appear to His Excellency in Council calculated to entail undue and unnecessary interference, and are not approved.

 Sir,
 I have the honor under Section 145 of the Town's Improvement Act to submit for the approval and consideration of Government, the following bye-laws, which the Commissioner considers necessary.
 "No person afflicted with moriuns or leathome disease, shall send or offer for sale any articles of food."
 "No bullocks shall be allowed to wear bells within Municipal limits."
 "Bells and other metal vessels used for conveying water must be secured to the water carts, so as to prevent all rattling and jingling."
 The first has been already sanctioned by Government for the Coimbatore Municipality in Government Order, No. 1322, dated 23rd October 1867.
 The second and third do not appear to have been hitherto sanctioned.
 The object of both is to prevent accidents by horses getting frightened. A great deal of the water used in the town is carried from tanks in large metal vessels placed on carts. These vessels, when empty, are seldom properly secured, and the noise made is often sufficient to frighten any horse.
 I have the honor to be,
 Sir,
