No. 123. Read the following letter from the Accountant-General, to the Chief Secretary to Government, Fort Saint George, dated Fort Saint George, 4th January 1870, No. 307.

Budget Department.

With reference to the accompanying letter from the Inspector-General of the Indian Medical Department, submitted to Government through this office, I have the honour to note in the margin the actual expenditure of the past eight months under the head of "Medical Services"

Grant for Medical Services	Rs. 1,00,000
Expenditure for eight months up to Dec 1869	Rs. 2,21,576
Expenditure for Dec	Rs. 1,75,740
	Rs. 3,97,316
	Rs. 1,00,000
	Rs. 2,97,316

against the total grant for the whole year, which shows a probable saving of Rs. 71,000.

From the Inspector-General of the Indian Medical Department, to the Chief Secretary to Government, Fort Saint George, (through the Accountant-General,) dated Fort Saint George, 21st December 1869, No. 426.

With reference to Proceedings of Government, dated the 18th December 1869, No. 1704, concerning the issue of rice money to Hospital Assistants in the Civil Department prospectively from 1st April 1870, in consequence of an provision having been made in the current year's Budget, I have the honour to state, for the information of Government, that there is a saving of Rs. 2700 under the head of rice for the Vanner Department, and to suggest that the same may be made available for payment in advance of compensation for decrease of rice.

No. 124. Order in Council, 27th January 1870, No. 107.

As it appears from the foregoing letters that there are savings in the Budget grant under "Medical Services" from which the compensation for decrease of food to Hospital Assistants can be met, the Governor in Council directs that effect be given to G. O., dated the 20th November last, No. 1490, during the current year.
