Proceedings of the Madras Government, Public Department,

29th August 1870.

No. 143. Read the following letter from the Magistrate of Malabar, to the Chief Secretary to Government, Fort Saint George, dated Calicut, 19th August, 1870, No. 83:—

I have the honour to submit, for the orders of Government, a letter, dated 17th August 1870, No. 117, from the Cantonment Magistrate of Cannanore, requesting authority to enter into an engagement, under Section 17 of the Vagrancy Act, with one Samuel Jones for leaving India. It is presumed that the party is to proceed to Madras as the port of embarkation.

From the Cantonment Magistrate of Cannanore, to the Magistrate of Malabar, dated Cannanore, 17th August 1870, No. 117.

Adverting to Proceedings of Government, No. 943, dated 29th July last, I have the honour to inform you that another European vagrant, by name Samuel Jones, without employment or means of subsistence, has appeared before me and stated that he is anxious to enter into a similar agreement to that sanctioned by the Right Honourable the Governor in Council in the above-quoted Proceedings of Government.

2. As, however, by those Proceedings it would appear that I have been specially authorized to enter into the agreement alluded to therein with Francis Ogilvie only, I beg to request sanction to do the same with Samuel Jones who has expressed a request before me this day to be sent back to England, from whence he states he went to Australia in 1857, and left the latter place for Colombo in charge of horses in June 1869, since when he has been wandering about, from place to place, in search of employment, (but without success,) living on what money he had in his possession when discharged at Colombo, and that he has recently arrived here from Wynaad owing to his having failed to obtain any situation there.

No. 144. ORDER THEREON, 29th August 1870, No. 1090.

His Excellency the Governor in Council resolves, under the provisions of Section 17 of the European Vagrancy Act, to authorize the Cantonment Magistrate of Cannanore to enter into an agreement for leaving India, in the form set forth in the second schedule annexed to the Act, with Samuel Jones, the European referred to in his letter to the Magistrate of Malabar.

2. The Cantonment Magistrate will send Jones to Madras, where arrangements will be made by the Commissioner of Police, in communication with the Acting Master Attendant, for providing him with a free passage to England.

3. The Government direct that the expenses incurred for the transmission of Jones from Cannanore to Madras be defrayed from the assignment made in the Budget for the current year for working the European Vagrancy Act. Bills of the expenses incurred by the Cantonment Magistrate and the Commissioner of Police, respectively, will be submitted to Government for sanction.
