Sir,

Para 1. With reference to the letter from the Secretary to the Committee for the Examination of Assistants dated the 19th July 1870 and the Government order thereon dated the 6th August 1870, I have the honor to request that you will kindly lay the following circumstances before the Government for their favorable consideration.

2. With reference to the statement made in the Committee's letter in Para 2 that I am precluded from being invested with the full powers of a Magistrate for at all events a further period of six months, I beg to state that I have been exercising the full

full powers of a Magistrate for the past year (vide Port Saint George Gazette dated the 10th August 1869).

3. The inferences drawn from this statement are consequently likely to convey an erroneous impression to Government, which if not corrected, might be detrimental to my future prospects as also to my Character as a Government officer.

4. With regard to Paras 3 & 4 of the Committee's letter, I would only take leave to state that I never presented myself for the High Proficiency Examination until after I had gone up for the 2nd Standard, and that hitherto there has been no rule laid down as to the course to be pursued in forwarding the Applications referred to.

In Conclusion I think it also but due to myself to assure Government that so anxious was I to pass by the 2nd Standard Examination to the satisfaction of

of the Committee, that I intended to devote my month's privilege leave to reading for the same, but my leave was unexpectedly stopped by the Accountant General, and I was therefore unable to devote more time to my studies than that remaining at my disposal after the termination of my daily official duties.

I have the honor to be,
Sir,
Your most Obedt Servant.

*Proceedings of the Madras Government, Public Department,
31st August 1870.*

No. 154. Read the following letter from the Acting Collector of Trichinopoly, to the Chief Secretary to Government, Fort Saint George, dated Trichinopoly, 18th August 1870, No. 38:—

I am extremely averse to trouble the Government with matters relating personally either to my Assistants or myself, but in the present instance I feel I cannot do otherwise than forward the enclosed letter from Mr. Maltby.

2. The Committee for the Examination of Assistants are clearly under the impression that Mr. Maltby has been, for the sake of a mere pecuniary reward, devoting more attention to a particular pursuit than to qualifying himself for the public service, but that this impression is an erroneous one is shown by the fact of Mr. Maltby having now been in the exercise of the full powers of a Magistrate for a full year.

3. Looking at the matter also in a mere pecuniary point of view, it would also have been very much to Mr. Maltby's advantage to have passed the Second Standard, for by so doing he would have secured a very considerable permanent increase to his monthly allowance.

From T. J. MALTBY, Esq., Assistant Collector of Trichinopoly, to the Acting Collector of Trichinopoly, dated Trichinopoly, 16th August 1870, No. 81.

With reference to the letter from the Secretary to the Committee for the Examination of Assistants, dated the 19th July 1870, and the Government Order thereon, dated the 4th August 1870, I have the honour to request that you will kindly lay the following circumstances before the Government for their favourable consideration :—

2. With reference to the statement made in the Committee's letter in paragraph 2, that I am precluded from being invested with the full powers of a Magistrate for, at all events, a further period of six months, I beg to state that I have been exercising the full powers of a Magistrate for the past year, (*vide Fort Saint George Gazette*, dated the 10th August 1869.)

3. The inferences drawn from this statement are consequently likely to convey an erroneous impression to Government, which, if not corrected, might be detrimental to my future prospects, as also to my character as a Government officer.

4. With regard to paragraphs 3 and 4 of the Committee's letter, I would only take leave to state that I never presented myself for the High Proficiency Examination until after I had gone up for the Second Standard, and that hitherto there has been no rule laid down as to the course to be pursued in forwarding the applications referred to.

5. In conclusion I think it also but due to myself to assure Government that so anxious was I to pass by the Second Standard Examination to the satisfaction of the Committee, that I intended to devote my month's privilege leave to reading for the same, but my leave was unexpectedly stopped by the Accountant-General, and I was, therefore, unable to devote more time to my studies than that remaining at my disposal after the termination of my daily official duties.

Sir,
Para 1. I am extremely averse to
trouble the Government with matters
relating personally either to my Assist-
ants or myself, but in the present in-
stance I feel I cannot do otherwise
than forward the enclosed letter from
Mr. Malley.

The Committee for the exa-
mination of Assistants are clearly
under the impression that Mr.
Malley has been for the sake of
a mere pecuniary reward devoting
more attention to particular pursuit
than to qualifying himself for the
Public Service, but that this impres-
sion is an erroneous one is shown
by the fact of Mr. Malley having
now

now been in the exercise of the
full powers of a Magistrate for a
full Year.

3. Looking at the matter also
in a more pecuniary point of view
it would also have been very much
to Mr. Maltby's advantage to have
passed the second standard for by
so doing he would have secured a
very considerable permanent in-
crease to his monthly allowance.

The Committee were wrong
