*Proceedings of the Madras Government, Public Department,
27th January 1870.*

137. Read the following letter from the Inspector General of the Indian Medical Department, to the Chief Secretary to Government, Fort Saint George, dated Fort Saint George, 9th December 1869, No. 429.

On reference to question VIII, printed with the Proceedings of Government, dated 29th September 1869, No. 1344, it will be observed that a staff allowance of ~~one hundred rupees~~ is granted in the Bengal Presidency to Hospital Assistants in ~~charge of Dispensaries~~.

There are several Hospital Assistants in the Madras Presidency placed in ~~charge of Dispensaries~~ who are in the receipt of nothing beyond the pay of their rank. I am directed to solicit the orders of Government, whether the staff allowance should be disbursed to them on the authority of the above order, and in conformity with the practice obtaining in Bengal.

No. 138. ORDER THEREON, 27th January 1870, No. 112.

It is observed that question No. VIII., printed in the Proceedings of Government, dated the 29th September last, No. 1344, and which is referred to by the Inspector-General of the Indian Medical Department in the letter above recorded, was put by the Inspector-General of the Indian Medical Department, Bombay, and that it had reference to the continuance of certain "special staff salaries" sanctioned by the Government of that Presidency, under date the 23rd December 1864.

2. The ~~orders~~ which induced the Government of Bombay to sanction special staff salaries to Hospital Assistants have not been communicated to this Government, nor does the reply of the Controller-General of the Military Expenditure, Calcutta, even to this Government imply that corresponding salaries should be granted by other Governments.

Not under these circumstances, and the fact that the Government of India have but recently sanctioned the re-organization of the Medical Establishment in this Presidency, involving a large increase in the cost of that establishment, the Government are not prepared to authorize the grant of any additional allowances to Hospital Assistants who are in charge of ~~Dispensaries~~.
