*Proceedings of the Madras Government, Public Works Department,
4th May 1870.*

No. 61. Read the following letter from the Principal of the Civil Engineering College, to the Secretary to Government, Public Works Department, dated Chepauk, 2nd May 1870, No. 38-C. :—

I HAVE the honour to request that you will be good enough to obtain Government sanction for the lithographing at the Public Works Department Press of 150 copies of the plan set as an exercise on estimating for the forthcoming examinations of the College.

2. To do this at a Private Press always costs a large sum of money, and I am by no means so certain of secrecy under such an arrangement as if the work were done at the Government Press, and it is of course of paramount importance that the strictest secrecy should be enjoined.

3. I shall esteem it, therefore, a great favour if on this occasion our examination plans can be lithographed at the Public Works Department Press just in the same way as all the examination papers are printed at the *Gazette Press* free of charge, and the favour will be enhanced if the Government Order be made applicable to all occasions of our half-yearly certificate examinations.

No. 62.

ORDER THEREON, 4th May 1870, No. 1,178.

ESTABLISHMENT, No. 5.

His Excellency the Governor in Council is pleased to grant authority for the plan referred to in paragraph 1, and for those which may in future be required for the half-yearly examinations held at the Civil Engineering College, being lithographed free of expense at the Government Lithographic Press.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
