My dear Michin,

The charge for decorating
Government House is debitable
to "Miscellaneous", but the Govt
under that head will be largely
exceeded. In fact the only bank
which in all probability shows
any savings at all is Law &
Justice - and Government
have already laid their

hands on those Savings & have
proposed their transfer to sup-
plement the grants of the Police
& Educational Dep^t. I really
do not know therefore where
the money is to come from,
and I do not dare to suggest
that the Grant should be
exceeded, as the orders of
the Govern^t of India holding
the Local Acconn^t Genl

personally responsible for
any excess are unpleasantly
stringent. The course therefore
that I would suggest is that
you should telegraph to Calcutta
for a special grant - or if
that be considered impru-
dent, that I should be
ordered to place the requi-
site sum at the disposal
of the Private Secretary

leaving it to me to report the
distribution of the goods
of the estate.

Yours truly

F. Huntington
